REPORT

OF AN EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

CITY OF NASHUA

FOR THE FISCAL YEAR ENDED

DECEMBER 31, 1962

made by

THE DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
April 10 - May 2, 1963

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

May 20, 1963

To the Mayor and Board of Aldermen

Nashua, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the City of Nashua for the fiscal year ended December 31, 1962, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

The accounts and records of all city officials charged with the custody, receipt and disbursement of city funds were examined and audited. An examination was made of a sufficient number of vouchers, payrolls and cancelled checks to satisfy the requirements of accepted standards of audit procedure. Receipts were checked by source insofar as possible. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

Comparative Balance Sheets (Revenue Accounts) - December 31, 1961 - December 31, 1962. (Exhibit A-1)

Comparative Balance Sheets (Revenue Accounts) for the fiscal years ended December 31, 1961 and December 31, 1962, are presented in Exhibit A-1. As indicated therein, the Surplus increased by $237,309.11, from $83,973.94 to $321,-283.05 in 1962.

Analysis of Change in Current Financial Condition: (Exhibit B-2)

An analysis of the change in the current financial condition of the City during the year is made in Exhibit B-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus

Net Budget Surplus	$229,897.37	
1957 Overlay Written Off	14,550.39	
Excess Credits — Tax Collector	1,387.70	
Overpayments to be Refunded	633.98	
Cash in Bank Adjustment	1.22	
		$246,470.66

Decrease in Surplus

1957 Taxes Written Off	$ 7,995.50	
1959 Overlay Adjustment	560.00	
Overpayments Refunded	106.05	
Real Estate Appraisal—Sandy Pond Area	500.00	
		9,161.55
Net Increase		$237,309.11

Increase in Bonded Indebtedness:

The bonded indebtedness of the City (including School debt) increased by $3,923,000.00 in 1962, as shown herewith:

	Bonded Debt December 31, 1961	Bonds Issued in 1962	Bonds Retired in 1962	Bonded Debt December 31, 1962
Sewer, Health & Sanitation Loans	$ 900,000.00	$1,525,000.00	$ 65,000.00	$2,360,000.00
Widening Main & Water Streets	120,000.00	—0—	20,000.00	100,000.00
Public Improvement Loans	297,000.00	—0—	21,000.00	276,000.00
Fire Equipment Loans	6,000.00	—0—	3,000.00	3,000.00
School Loans	2,154,000.00	2,687,000.00	155,000.00	4,686,000.00
High-Water Streets Parking Lot Loans	450,000.00	—0—	25,000.00	425,000.00
	$3,927,000.00	$4,212,000.00	$ 289,000.00	$7,850,000.00

Statement of Bonded Indebtedness: (Exhibit W.)

A statement of outstanding bonded indebtedness as of December 31, 1962, showing annual debt service requirements, is contained in Exhibit W.

Comparitive Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits D & E)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1962, are presented in Exhibits D and E. As indicated therein, a net unexpended balance of appropriations of $155,363.83, plus a revenue surplus of $74,533.54, resulted in a net budget surplus of $229,897.37.

Tax Collections:

Tax collections (exclusive of State Head Taxes) of the current year's levy, as compared to taxes assessed, for the years 1961 and 1962, were as follows:

	Levy of 1961	Percent	Levy of 1962	Percent
Taxes Assessed - Current Year's Levy	$4,412,334.87		$5,337,381.67	
Taxes Collected - Current Year's Levy	$4,010,099.15	90.9%	$4,861,693.30	91.1%
Taxes Abated - Current Year's Levy	15,518.40	.3%	21,501.51	.4%
Uncollected Taxes - Current Year's Levy	386,717.32	8.8%	454,186.86	8.5%
	$4,412,334.87	100.0%	$5,337,381.67	100.0%

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the City.

We extend our thanks to the officials of the City of Nashua and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson
Lionel J. DeGrace
Auditors

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the City of Nashua for the fiscal year ended December 31, 1962. In our opinion, the Exhibits included herewith reflect the true financial condition of the City on December 31, 1962, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, *Director*
Division of Municipal Accounting
State Tax Commission

O. Maurice Oleson

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF $2,687,000.00 TO PAY THE COST OF THE CONSTRUCTION OF AN ELEMENTARY SCHOOL AT UPSTONE ACRES, SO CALLED, AND AN ADDITION AND ALTERATION TO THE SENIOR HIGH SCHOOL ON ELM STREET, NASHUA, N. H.

CITY OF NASHUA

(Endorsed by Alderman John V. Chesson)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, and the City Treasurer are hereby authorized to issue and sell under the direction of the Finance Committee of the Board of Aldermen negotiable General Obligation Coupon Bonds of the City of Nashua in the aggregate principal amount of TWO MILLION SIX HUNDRED EIGHTY-SEVEN THOUSAND DOLLARS ($2,687,000.00). Said bonds to be issued for the purpose of paying the following costs.

1. SEVEN HUNDRED THOUSAND DOLLARS ($700,000.00) for the construction, equipment and furnishing for a new elementary school building to be located at Upstone Acres, so called, in said Nashua, said cost to include landscaping, architect, and legal fees. The expected useful life of said public work or improvement is hereby determined to be at least forty (40) years.

2. ONE MILLION NINE HUNDRED EIGHTY-SEVEN THOUSAND DOLLARS ($1,987,000.00) for the addition and alteration to the Senior High School, located on Elm Street in said Nashua. Said bonds to be issued for the purpose of paying the cost for the construction, equipment, furnishing of said addition and alteration including the cost to improve landscaping, architect and legal fees. The expected useful life of said public work or improvement is hereby determined to be at least forty (40) years.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest, from ad-valorem taxes, which will be levied without limitations as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option at the First National Bank of Boston, Massachusetts.

The coupons shall bear the facsimile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the First National Bank of Boston endorsed thereon.
Passed Feb. 13, 1962

RESOLUTION OF THE BOARD OF ALDERMEN AMENDING THE REDEVELOPMENT PLAN FOR PROJECT NO U.R.N.H. 4-1 CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the Board of Aldermen of the City of Nashua, has passed, on June 9, 1959, a resolution entitled, "Resolution of the Board of Aldermen of the City of Nashua approving the Redevelopment Plan and the Feasibility of Relocation for Project No. U.R.N.H. 4-1, City of Nashua"; and,

WHEREAS, a thorough study of said Redevelopment Plan has revealed that many changes, including a change in the Projet Area boundaries, are necessary for the Improvement of said Project; and,

WHEREAS, there has been prepared and referred to the Board of Aldermen for review and approval, a proposed Amendment dated September 12, 1961, of the Redevelopment Plan for the High Street Project, dated January 14, 1959, consisting of 4 pages and 19 exhibits, 18 of which are maps, the other exhibit, (Exhibit A), being the new legal description of the perimeter boundary of the Project Area; and a revised application for loan and Grant, Part I: Final Project Report for U.R.N.H. 4-1 all of which have been approved by the Local Public Agency; and

WHEREAS, the Local Public Agency had applied for additional financial assistance under the provisions of Title I of the Housing Act of 1949, as amended prior to August 2, 1954, and proposes to enter into an additional contract or contracts with the Housing and Home Finance Agency for making available additional financial assistance for the Project;

NOW THEREFORE, BE IT RESOLVED, By the Board of Aldermen of the City of Nashua as follows:

1. That the amendments to said Redevelopment Plan, annexed hereto, for the Project aforementioned, having been duly reviewed and considered, are hereby approved, and the City Clerk be and is hereby directed to file said copy of said amendments with the minutes of this meeting.

2. That it is hereby found and determined that the Plan, as amended, conforms to the general plan for the development of the locality as a whole.

3. That it is hereby found and determined that said Urban Redevelopment Plan gives due consideration to the provision of adequate park and recreational areas and facilities, as may be desirable for neighborhood improvement, with special consideration for the health, safety, and welfare of children residing in the general vicinity of the site covered by the Plan.

4. That it is hereby found and determined that the proposals for the proper relocation of the families displaced in carrying out the Project in decent, safe, and sanitary dwellings in conformity with acceptable standards are feasible and can be reasonably and timely effected to permit the proper prosecution and completion of the Project; and that such dwelling or dwelling units available or to be made available to such displaced families are at least equal in number to the number of displaced families, are not generally less desirable in regard to public utilities and public and commercial facilities than the dwellings of the displaced families in the Project area, are available at rents or prices within the financial means of the displaced families, and are reasonably accessible to their places of employment.

5. That in order to implement and facilitate the effectuation of the Urban Redevelopment Plan hereby approved it is found and determined that certain official action must be taken by this Body with reference, among other things, to the vacating and removal of streets, alleys, and other public ways, the establishment of new street and traffic patterns, the construction of supporting traffic facilities, such as the Water Street ramp, the location and relocation of sewer and water mains and

other public facilities, and such other matters as the Application contemplates, and, accordingly, this Body hereby: (a) pledges its cooperation in helping to carry out such Urban Redevelopment Plan, as amended; (b) requests the various officials, departments, boards, and agencies of the Locality having administrative responsibilities in the premises likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with said Urban Redevelopment Plan, as amended, and; (c) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate said Urban Redevelopment Plan, as amended.

6. That additional financial assistance under the provisions of Title I of the Housing Act of 1949, as amended prior to August 2, 1954, is necessary to enable the land in the Project Area to be redeveloped in accordance with the Redevelopment Plan, as amended, for the Project Area, and accordingly, the filing by the Local Public Agency of an application or applications for such financial assistance under said Title I, is hereby approved; and

7. That the resolution, entitled, "Resolution of the Board of Aldermen of the City of Nashua, Approving the Redevelopment Plan and the Feasibility of Relocation for Project No. UR. N.H. 4-1, City of Nashua", passed on June 9, 1959, be amended accordingly; and that the other provisions and findings of said resolution, which are not inconsistent herewith, are hereby affirmed and approved.

COOPERATION AGREEMENT

This Agreement entered into this day of , 1962 by and between the Nashua Housing Authority (hereinafter called the "Authority") a public body corporate and politic, duly organized and existing under the provisions of the Housing Authorities Law of the State of New Hampshire as set forth in RSA 1955, Chapter 203, as amended to date, and having its usual place of business in the City of Nashua, County of Hillsborough, as party of the first part, and the City of Nashua (hereinafter called the "City"), as party of the second part, witnesseth that:

WHEREAS, on Feb. 5, 1962 the Authority approved and adopted an amendment to the redevelopment plan for the assembly, clearance, and redevelopment, under the provisions of RSA 1955, Chapter 205 and the Housing Authorities Law, of a blighted, decadent and substandard area in the High Street Area (constituting and being Project No. UR N.H. 4-1 and being hereinafter called the "Redevelopment Project"), said area being more particularly described in the redevelopment plan, as amended, for said area (hereinafter referred to as the "Redevelopment Plan"), and which Redevelopment Plan, as amended, is hereby incorporated herein by reference as though fully set forth; and

WHEREAS, on the Board of Aldermen of the City of Nashua (hereinafter called the "Board") approved the amendment to the aforesaid Redevelopment plan after finding that the Redevelopment Plan, as amended, complied with the requirements of RSA 1955, Chapter 205; and

WHEREAS, the said High Street area constituting the Redevelopment Project is a blighted, decadent and substandard area with excessive land coverage, deleterious land use and obsolete buildings layout, containing 56 structures of which 33 are blighted and substandard because they are delapidated or obsolete or lacking necessary sanitary facilities or structurally unsound or a combination of such factors and of those 56 structures a total of 43 structures contain 142 dwelling units, of which a total of 104 dwelling units are blighted and substandard for the same reasons, all of which factors are detrimental to the safety, health, morals and welfare of the City and its inhabitants; and

WHEREAS, the Authority will need contributions or grants of money, properties or services from the City and the United States Government (hereinafter called the "Government") in order to carry out and complete the Redevelopment Project, and

WHEREAS, the City is authorized by RSA 1955, Chapter 205 and the Housing Authorities Law, as amended, to make such contributions or grants to the Authority in connection with the Redevelopment Project, and the Government is authorized by Title I of the Housing Act of 1949, as amended, (hereinafter called the "Housing Act"), to make similar contributions or grants; and

WHEREAS, it is provided in said Title I of the Housing Act that a contract between the Government and a local agency engaged in a redevelopment project providing for capital grants from the Government shall require contributions or grants from the state, municipality, or other public body or any other entity equal to at least one-third of the aggregate net project cost as defined therein; and

WHEREAS, it is further provided in said Title I that the aforesaid contributions or grants from the local governmental unit (therein defined as "Local Grants-in-Aid") may consist of (1) cash grants, (2) donations at each value of land (exclusive of land in streets, alleys, and other public rights-of-way which may be vacated in connection with the project) and demolition or removal work, or site improvements in the project area, at their cost, and (3) the provisions, at their cost, of parks, playgrounds, and public buildings or facilities . . . which are primarily of direct benefit to the project and which are necessary to serve or support the new uses of land in the project area in accordance with the redevelopment plan, as amended; provided, that, in any case where, in the determination of the Administrator, any park, playground, public building, or facility is of direct and substantial benefit both to the project and to other areas, the Administrator shall provide that, for the purpose of computing the amount of the local grants-in-aid for such project, there shall be included an allowance of an appropriate portion (as determined by the Administrator) of the cost of such park, playground, public building or facility.

NOW THEREFORE, it is hereby agreed by and between the parties hereto on their own behalf and on behalf of the Government, as follows:

1. Immediately upon the execution of a Revised Loan and Grant Contract between the Authority and the Government under the Housing Act (an application for said contract having been heretofore filed with the Government by the Authority) the Authority will undertake said Redevelopment Project in accordance with the Redevelopment Plan, as amended. Work on each successive phase of the Redevelopment Project will be commenced and carried out with all possible speed as funds are made available.

2. To defray the aggregate net project cost of the project as computed and determine in accordance with the provisions of the Housing Act, the Authority will take all necessary steps and comply with all necessary conditions, statutory or otherwise, to obtain a capital grant from the Federal Government under Section 103 (a) of the Housing Act in the maximum amount allowed by law it being provided that said donation or grant shall be in an amount not to exceed two-thirds of said aggregate net project cost of the Project, as determined in accordance with the provisions of the aforesaid Revised Loan and Grant Contract.

3. The City will make a total contribution to the Authority of an amount (whether in cash or services) equal to at least one-third of said aggregate net cost of the Redevelopment Project. In performance of its obligations hereunder, the City specifically agrees to provide for the following:

A. Vacate and close as a public street or alley and transfer to the Authority any interest it may have in certain public streets and public alleys, all located within the Redevelopment Project, all as set forth in the Right-of-Way Adjustments Plan attached hereto as Exhibit A and made a part hereof. These streets or alleys shall be vacated from time to time as requested by the Authority in accordance with the progress of the demolition work and all such streets and alleys shall be vacated no later than the completion of the demolition work for the Redevelopment Project.

B. Purchase from the Authority Parcel Nos. S-7, S-11 and S-13 shown on the map attached hereto as Exhibit B and made a part hereof and all of said land to be used for street widening purposes and the price for said land shall be negotiated in the same manner and subject to the same conditions as set forth for the land covered in Paragraph 3D hereof. This item shall be completed at a time coincidental with the completion of the demolition work for the Redevelopment Project.

C. Accept dedications from the Authority of the land contained in Parcel Nos. S-1 through S-6, S-8, S-9, and S-12 shown on the map attached as Exhibit B, to be used by the City for new streets and widening of existing streets. These items shall be completed as soon as reasonably possible after demolition work for the Redevelopment Project.

D. To enter into a contract to purchase from the Authority Parcels P-1, P-2, P-3 and P-4 shown on the map attached as Exhibit B, at a price to be mutually agreed upon and concurred in by the Housing and Home Finance Agency, said land to be used for public parking purposes; however, the Authority agrees not to acquire any project land unless and until the aforesaid purchase price is fixed and approved by the

respective governmental Agencies and Authorities, as required by law and the HHFA policies; provided further that the City will be credited with percentages of said purchase price as local grants-in-aid for the Redevelopment Project as follows:

For Parcel P-1	
For Parcel P-2	
For Parcel P-3	38%
For Parcel P-4	
For Parcel P-5	

E. Construct and complete within one year after the completion of 3A above, the supporting facilities numbered S.F. 1, S.F. 2, S.F. 3, S.F. 4, S.F. 5, S.F. 6, S.F. 7, and S.F. 8 shown on the map attached as Exhibit C, The Parking Areas P-1, P-2, P-3, and P-4 shown the attached Exhibit B, the estimated cost of which construction and the estimated credits to the City as Local Grants-in-Aid are shown on Exhibit D attached hereto which Exhibit D consists of 10 sheets designated Page 5 of Form H-6200, Page 3 of Form H-6220 and Pages 1, 1a, 1b, 2, 3, 4, 5, and Page 6 inclusive.

4. The City agrees to pay the Authority as a Local Grant-in-Aid real estate tax credits, now estimated to be equal to Twenty-Four Thousand One Hundred Fourteen Dollars ($24,114), to the extent necessary to provide an amount which, when added to other Local Grants-in-Aid to be provided for the Redevelopment Project, will be equal to one-third of the aggregate net project cost, which tax credits shall be subject to approval by the HHFA.

5. The City agrees to comply with the provisions of the Redevelopment Plan, as amended, and particularly the Right-of-Way Adjustment Plan as shown on map as Exhibit A attached hereto.

6. The Authority agrees to complete within 18 months after the completion of 3A above, the construction work for Site Improvements S.I. 1 through S.I. 8 shown on the attached Exhibit D as defined in paragraph 3E above, and the City agrees to pay the Authority fifty per centum of the actual cost of construction of Site Improvement S.I. 7 and the Authority agrees to give the City full credit as a non cash grant-in-aid the actual cost of construction of Site Improvements S.I. through 6 and S.I. 8. The City agrees to construct a ramp shown as supporting facility S.F. 1 on map attached as Exhibit C within a period of 18 months and the City shall be credited with an estimate of 50 per centum of the actual cost as a non cash grants-in-aid to the project.

7. The Authority agrees to transfer to the City, by quitclaim deed conveying good and marketable title of record, Parcels P-1 through P-4, S-7, S-11 and S-13 as shown on the map attached as Exhibit B for sums to be determined as provided in Paragraph 3D above. Said sums shall be paid to the Authority at the time of the closing of each Parcel which closing shall take place as City Hall or at some other mutually agreeable place within thirty (30) days after the Authority has brought the respective parcel to the required rough grade or as soon thereafter as the Authority is able to convey good and marketable title of record to the City. The City agrees to pay the required sum to the Authority for each such parcel upon tender of the required deed which shall con-

tain use restrictions as covenants and conditions running with the land to require the City to devote such land to the uses specified in the Redevelopment Plan, as amended, for the project area.

8. The City agrees to submit plants and specifications showing improvements and landscaping for the development of Parcel Nos. P-1 through P-4 inclusive as parking areas as set forth in paragraph 7 above to the Authority for approval within three months after the execution of the Revised Loan and Grant Contract for the Redevelopment Project by the Government. The City agrees to make no changes in said plans and specifications as approved by the Authority without the prior written consent of the Authority. The City further agrees that it will not sell, lease, or otherwise transfer land acquired pursuant to paragraph 7 hereof at any time prior to the completion of the construction of said public parking areas without the prior written consent of the Authority. The City further agrees to begin the construction of said public parking areas within six (6) months after the transfer of the land as set forth in paragraph 7 hereof and to complete said construction within eighteen (18) months after the transfer of the land as set forth in paragraph 7 hereof.

9. Notwithstanding any provision of the Agreement to the contrary, it is expressly understood and agreed that the estimates of quantities, values and costs set forth herein are estimates only, based on data presently available, and that the actual credit to be given for properties and services provided herein will be based on the actual values or costs thereof as they shall be determined.

10. It is understood and agreed that the City's financial obligation hereunder is to make total contributions or grants which shall be equal to one-third of the aggregate net project cost computed in accordance with the terms of the Housing Act, which one-third obligation is presently estimated at $281,492.

11. The City shall cooperate with the Authority, the Government and other state and local agencies in pursuing positive programs for the adoption, improvement and modernization of local building, zoning and sanitary codes and regulations and shall take such action as may be necessary to waive, change or modify such codes or regulations to the extent necessary or desirable to permit carrying out the Redevelopment Project.

12. The City shall cooperate with the Authority in such other lawful actions or ways as may be necessary in connection with the undertaking and carrying out of the Redevolopment Project in all of its phases, including the relocation of families to be displaced from the Redevelopment Project area (in accordance with the Relocation Plan.)

13. The Authority agrees to give to the City a tax credit on all real property acquired for the Redevelopment Project both for the proportion of the first tax year during which the Authority owns that real property and for all subsequent tax years and portions thereof that the Authority owns such property in an amount equal to the full amount of the taxes which would have been paid to the City on such property, provided, however, that the amount of such tax credits shall be limited to the amount needed to make up one-third of the aggregate net project cost as set forth in paragraph 10 hereof. To the extent that such tax

credits are not needed to make up said one-third of the aggregate net project cost, the Authority agrees to pay the City as a payment in lieu of taxes the full amount of or the balance of such tax credits. Such tax credits shall be subject to approval by the HHFA.

14. That the Cooperation Agreement, dated June 12, 1959, be mutually rescinded, and that the within agreement be substituted in place thereof.

IN WITNESS WHEREOF THE City and the Authority have respectively caused this Agreement to be duly executed in triplicate as of the day and year first written above.

RESOLUTION

APPROVING THE COMPLETED PLANNING DOCUMENTS FOR CONSTRUCTION OF, INTERCEPTING AND SEWAGE TREATMENT FACILITIES FOR THE NORTHWEST AREA OF THE CITY CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

Whereas, the City of Nashua, New Hampshire accepted an offer from the United States Government for an advance for preparation of planning documents pertaining to a public work described as sewerage and sewage treatment facilities for the Northwest Area of the City; and

Whereas, Camp, Dresser & McKee was engaged to prepare the planning documents for the aforesaid public work, and said engineer has completed the documents and submitted them for approval; and

Whereas, the completed planning documents have been carefully studied and are considered to comprise adequate planning of the public work essential to the community and within the financial ability of the City of Nashua, New Hampshire to construct:

Now, therefore, be it resolved by the Board of Aldermen, the governing body of said applicant, that the planning documents submitted by Camp, Dresser & McKee as basis for detailed planning of intercepting and sewage treatment facilities for the Northwest Area of the City dated January 15, 1962,* in connection with Housing and Home Finance Agency Project No. P-NH-3031 be and the same are hereby approved; and that certified copies of this resolution be filed with the Housing and Home Finance Agency.

*Including Supplement No. 1 dated February 26, 1962.

RESOLUTION

AUTHORIZING AN ADDITIONAL APPROPRIATION FOR PURCHASE OF SCHOOL HOUSE LOTS CITY OF NASHUA

(Endorsed by Alderman John V. Chesson)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

Whereas, the Board of Education has, pursuant to the provisions of Section 2, Chapter 141 of the Revised Laws, by vote of the Board, selected certain parcels of land hereinafter described for school house lots; and

Whereas, it is understood that the prices hereinafter set forth for each parcel are, in the opinion of the Board of Education the prices which should be paid therefor and that the said prices are hereinafter set forth only for the purpose of complying with the statutory provisions above mentioned and are not to be considered binding upon the City:

Now, therefore, Be It Resolved that this Board of Aldermen hereby appropriate an additional sum of $8,500.00 to be set aside for the purpose of acquiring, by purchase or otherwise, the following described parcels of land to be used for the erection of school houses thereon, said sum to be funded by the 1962 School Budget.

Two lots or parcels of land situate on or near Broad Street and described as follows:

LOT A — Upstone Property

A certain tract or parcel of land situate on the southerly side of Broad Street in said Nashua, being Lot B on Plan of Upstone Acres, Broad Street — Nashua, N. H., July 22, 1961, Earle L. Williams, Surveyor, said Plan being recorded as Plan #2077 in the Hillsborough County Registry of Deeds, and being bounded and described as follows:

Beginning at a point situate in the southerly line of Broad Street at the northeasterly corner of land now or formerly of Lefevre at the intersection of the easterly line of said Lefevre land with said southerly line; thence running

(1) Easterly by the southerly line of Broad Street one hundred fifty (150) feet to a point situate in said southerly line; thence

(2) Southerly by a line parallel to the easterly line of said Lefevre land one hundred fifty (150) feet to a point; thence

(3) Westerly to a point situate in said easterly line of said Lefevre land, said point being situated one hundred fifty (150) feet measured southerly on said easterly line from the point of beginning; thence

(4) Northerly by said easterly line of said Lefevre land one hundred fifty (150) feet to the point of beginning.

Meaning and intending to describe and convey part of the premises conveyed to the within grantor by Joseph Plourde by deed dated April 13, 1935, and recorded in the Hillsborough County Registry of Deeds in Volume 939 at Page 197.

Lot B — Upstone and Tamposi Property

A certain tract or parcel of land situate on the southerly side of Broad Street in said Nashua, being Lots A, 72, 73, 78, 79, and 80, on Plan of Upstone Acres, Broad Street — Nashua, N. H., July 22, 1961, Earle L. Williams, Surveyor, said Plan being recorded as Plan #2077 in the Hillsborough County Registry of Deeds, and being bounded and described as follows:

Beginning at a point situate in the southerly line of Broad Street at the northeasterly corner of Lot B; thence running

(1) Easterly by the southerly line of Broad Street six Hundred five (605) feet to a point of curve in said southerly line; thence

(2) By a curve to the right having a radius of Twenty-five and forty-four hundredths (25.44) feet, a distance of thirty-nine and fifty-one hundredths (39.51) feet to a point in the westerly line of Upstone Drive; thence

(3) Southerly by the westerly line of Upstone Drive three hundred thirty (330) feet to a point of curve in said westerly line; thence

(4) By a curve to the right having a radius of twenty-six and eighty-one hundredths (26.81) feet, a distance of forty and twenty-three hundredths (40.23) feet to a point situate in the northerly line of Cormine Road; thence

(5) Westerly by the northerly Line of Carmine Road seventy-five (75) feet to a point situate at the intersection of said northerly line with the westerly line of said Carmine Road; thence

(6) Southerly by the westerly line of Carmine Road fifty (50) feet, more or less, to a point situate at the intersection of said westerly line with the southerly line of Carmine Road; thence

(7) Easterly by the southerly line of Carmine Road seventy-five (75) feet, more or less, to a point of curve, thence

(8) By a curve to the right having a radius of twenty-three and thirty-one hundredths (23.31) feet a distance of thirty-eight and twenty-three hundredths (38.23) to a point situate in the westerly line of Upstone Drive; thence

(9) Southerly by the westerly line of Upstone Drive eighty-two and sixty hundredths (82.60) feet to a point situate in said westerly line at the northeasterly corner of Lot 85; thence

(10) Westerly by the northerly line of Lot 85 one hundred (100) feet to a point situate at the northwesterly corner of Lot 85; thence

(11) Southerly by the westerly line of Lots 85, 86, 91 and 92, said line running parallel to and being one hundred (100) feet westerly from the westerly line of Upstone Drive, three hundred eighty-eight and sixty-four hundredths (388.64) feet to a point situate at the southwesterly corner of Lot 92, said point being one hundred (100) feet, measured on the southerly line of Lot 92, from the intersection of said southerly line with the westerly line of Upstone Drive; thence

(12) Westerly by the northerly line of Lots 97 and 107, Sanborn Road, and Lot 108 to a point situate at the northwest corner of Lot 108 and in the easterly line of land now or formerly of Lefevre, said point being seven hundred thirty (730) feet, measured on said easterly line of Lefevre land, from the intersection of said easterly line with the southerly line of Broad Street; thence

(13) Northerly by said easterly line of Lefevre land five hundred eighty (580) feet to a point situate in said easterly line at the southwesterly corner of Lot B; thence

(14) Easterly by the southerly line of Lot B one hundred fifty (150) feet to a point situate at the southeasterly corner of Lot B; thence

(15) Northerly by the easterly line of Lot B one hundred fifty (150) feet to the point of beginning.

RESOLUTION

RESOLUTION CONCURRING IN LOCAL AUTHORITY REQUEST TO PUBLIC HOUSING ADMINISTRATION CONCERNING REPAYMENT OF CONTRIBUTIONS CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the **City of Nashua** (herein called "Municipality") and **The Nashua Housing Authority** (herein called "Local Authority") have entered into a certain Cooperation Agreement dated December 22, 1960 providing for aid and cooperation in respect to low-rent housing Proj-

ects developed and to be developed and operated by the Local Authority with the financial assistance of the Public Housing Administration (herein called "PHA"); and

WHEREAS, the aforesaid Cooperation Agreement provides among other things that in respect to any Project for which no Annual Contributions Contract has been entered into prior to August 2, 1954 between the Local Authority and the PHA, the Local Authority would repay to the PHA and the Municipality on behalf of the local public bodies which have contributed to such Project in proportion to the aggregate contribution which the PHA and the local public bodies have made to such Project at the times and from the funds therein described; and

WHEREAS, such repayment provisions were required by Sec. 10 (j) of the United States Housing Act of 1937, as added by the Housing Act of 1954 (68 Stat. 590, 632) which requirement was repealed effective June 30, 1961 by the Housing Act of 1961 (75 Stat. 149, 165); and

WHEREAS, the Local Authority proposes to undertake the development and operation of one or more additional low-rent housing Projects to be initially covered by one or more annual contributions contracts with the PHA on or after June 30, 1961; and

WHEREAS, the Local Authority desires to continue the repayment provisions in the Cooperation Agreement as aforesaid and will request the PHA to contain similar provisions in the annual contributions contracts in respect to such additional Projects and has requested the Municipality to concur in such request to the PHA;

NOW, therefore, be it resolved by the **Board of Aldermen** of the **City** of **Nashua** as follows:

The **City of Nashua** does hereby concur in the request of the Local Authority to the PHA that the repayment of the Federal and local contributions as formerly required by Sec. 10(j) of the United States Housing Act of 1937, as amended, be made applicable by the annual contributions contracts to such additional Projects.

Passed April 10, 1962.

RESOLUTION

AUTHORIZING THE MAYOR AND TREASURER TO ISSUE BONDS IN THE AMOUNT OF ONE MILLION THREE HUNDRED FIFTY THOUSAND ($1,350,000.00) DOLLARS TO PAY THE COST OF THE SOUTH MERRIMACK INTERCEPTOR, SALMON BROOK INTERCEPTOR, NORTHWEST INTERCEPTOR AND LAGOON. THE ACQUISITION OF LAND AND EASEMENTS FOR SAID PROJECTS AND EQUIPMENT FOR THE SEWERAGE TREATMENT PLANT CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, and the City Treasurer, Edward R. Benoit, are hereby authorized to issue and sell, under the direction of the Finance Committee of the Board of Aldermen, negotiable General Obligation Coupon Bonds of the City of Nashua in the aggregate principal amount of One Million Three Hundred Fifty Thousand ($1,350,000.00) Dollars. Said bonds are to be issued for the purpose of paying the costs of the South Merrimack Interceptor, Salmon Brook Interceptor, Northwest Interceptor and Lagoon. The Acquistion of Land and Easements for Said Projects and Equipment for the Sewerage Treatment Plant, said projects and Plant being located in the South and North End section of the City of Nashua, and the expected useful life of said public works or improvement is hereby determined to be at least fifty (50) years.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest, for ad-valorem taxes, which will be levied without limitations as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire, or at the holder's option, at the First National Bank of Boston, Massachusetts.

The coupons shall bear the facsimile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the First National Bank of Boston endorsed thereon.

RESOLUTION

AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE TO FILE AN APPLICATION FOR A GRANT TO BE MADE BY THE UNITED STATES TO AID IN DEFRAYING THE COST OF THE SEWERAGE TREATMENT WORKS (SALMON BROOK INTERCEPTOR - CONTRACT NO. 2) CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, City of Nashua, New Hampshire herein called the "Applicant" after thorough consideration of the various aspects of the problem and study of available data, has hereby determined that the construction of certain works required for the treatment of sewerage, generally described as Salmon Brook Interceptor-Contract No. 2, herein called the "Project", is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said Project be taken immediately; and

WHEREAS, under Section 466e, Title 33, of the **United States Code,** the United States of America has authorized the making of grants to aid in financing the cost of construction of necessary treatment works to prevent the discharge of untreated or inadequately treated sewage or other waste into any waters and for the purpose of reports, plans, and specifications in connection therewith; and

WHEREAS, the Applicant has examinind and duly considered said section of the **United States Code**, and related sections, and the Applicacation deems it to be in the public interest and to the public benefit to file an application under said section of the United States Code and to authorize other action in connection therewith;

NOW THEREFORE, BE IT RESOLVED BY the Board of Aldermen, the governing body of said Applicant, as follows:

1. That the construction of said Project is essential to and is in the best interests of the Applicant, and to the end that said project may be constructed as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That Honorable Mario J. Vagge, Mayor, City of Nashua, be hereby authorized to file in behalf of the Applicant an application (in the form required by the United States and in conformity with 33 **U.S.C.** 466(e) for a grant to be made by the United States to the applicant to aid in defraying the cost of construction of the sewerage treatment works described above:

3. That if such grant be made, the Applicant agrees to pay all the remaining cost of the approved Project, over and above the amount of the grant;

4. That if such grant be made, the Applicant agrees to make provision satisfactory to the Surgeon General of the Public Health Service for assuring proper and efficient operation and maintenance of the treatment works after completion of the construction thereof;

5. That the said Honorable Mario J. Vagge, Mayor, is hereby authorized to furnish such information and to take such other action as may be necessary to enable the Applicant to qualify for the grant;

6. That the said Honorable Mario J. Vagge, Mayor, is hereby designated as the authorized representative of the Applicant for the purpose of furnishing to the United States such information, data, and documents pertaining to the application for a grant as may be required; and otherwise to act as the authorized representative of the Applicant in connection with this application;

7. That certified copies of this resolution be included as part of the application to be submitted to the United States, for a grant.

TO THE HONORABLE BOARD OF ALDERMEN:

Gentlemen:

Under the provisions of Chapter IV, Section 7 of the Revised Ordinances of the City of Nashua (1950), I submit, herewith, my recommendations for the necessary amount of money which should be appropriated for the several departments and other needs of the City of Nashua for the year 1962, and, for the purposes of Section 3, Part 1 of Chapter VII of the Revised Ordinances of the City of Nashua, each item of this budget shall be considered as a separate appropriation.

For convenience, account numbers have been assigned to each item of the budget. When a department makes an expenditure it will be charged on their books to their appropriate account number. All departments will make regular monthly reports to the Mayor's Office of their Monthly expenditures and unexpended balances under each item. These reports will be consolidated on a master sheet and kept on file in the Mayor's Office for the convenience of the Finance Committee and inspection of the Board of Aldermen.

Each department has been given a different key alphabetical letter to identify its own individual itemizations. In order that comparisons may readily be made between departments of their expenditures for comparable items or to determine easily total City spending for certain specific items, the account numbers are uniform. There are 18 standard items, some of which are indicated by the decimal point and additional numbered classifications. Any item listed after 18 is not one found in the other departments, thus all items beginning with 19 are peculiar to the department concerned. The key for the standard account numbers is as follows:

Acct. No	Items
1	Payroll
2	Telephone
3	Electricity
4	Water
5	Insurance
6	Postage
7	Office Supplies & Services

RESOLUTION

AUTHORIZING HIS HONOR THE MAYOR AND CITY TREASURER TO ISSUE BONDS IN THE AMOUNT OF ONE HUNDRED SEVENTY-FIVE THOUSAND ($175,000.00) DOLLARS TO PAY FOR THE COST OF MATERIALS FOR EXTENSION OF SANITARY AND STORM SEWER SYSTEMS AND ACQUISITION OF LAND FOR A SANITARY LAND FILL CITY OF NASHUA

(Endorsed by Alderman Donald R. Hardy)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge and City Treasurer Edward R. Benoit are hereby authorized to issue and sell, under the direction of the Finance Committe of the Board of Aldermen, negotiable General Obligation Coupon Bonds of the City of Nashua in the aggregate principal amount of One Hundred Seventy-Five Thousand ($175,000.00) Dollars. Said Bonds are to be issued for the purpose of payment of the following costs.

One Hundred Forty-five Thousand ($145,000.00) Dollars for the cost of materials for extension of sanitary and storm sewer systems within the confines of the City of Nashua, and the expected useful life of said public work or improvement is hereby determined to be at least fifty (50) years.

Thirty Thousand ($30,000.00) Dollars for the acquisition of land off West Hollis Street, Nashua for the use of a sanitary land fill and the expected useful life of said public work or improvement is hereby determined to be at least forty (40) years.

Said bonds shall be general obligations of the City of Nashua, payable as to both principal and interest from ad-valorem taxes which will be levied without limitations as to rate or amount on all taxable property within the territorial limits of the City of Nashua.

Both principal and interest shall be payable at the office of the City Treasurer, Nashua, New Hampshire or at the holder's option at the First National Bank of Boston, Boston, Mass.

The coupons shall bear the facsimile signature of the City Treasurer. None of the said bonds shall be obligatory without the authenticating certificate of the said First National Bank of Boston endorsed thereon.

RESOLUTION

RESOLUTION OF NASHUA BOARD OF ALDERMEN APPROVING UNDERTAKING OF SURVEYS AND PLANS FOR URBAN RENEWAL PROJECT ON THREE-FOURTHS CAPITAL GRANT BASIS AND FILING OF REQUEST FOR CONCURRENCE BY ADMINISTRATOR IN COMMENCEMENT THEREOF (PARK STREET AREA) CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, under Title I of the Housing Act of 1949, as amended (herein called "Title I"), the Housing and Home Finance Administrator is authorized to extend financial assistance to local public agencies in the elimination and prevention of the spread of their slums and urban blight through the undertaking of urban renewal projects; and

WHEREAS, it is desirable and in the public interest that the Nashua Housing Authority prepare surveys and plans, in order to undertake and carry out an urban renewal project on a three-fourths capital grant basis pursuant to Title I in that area proposed as an Urban Renewal Area, situated in the City of Nashua, County of Hillsborough, and State of New Hampshire, which is known as the Park Street Project Area;

NOW, THEREFORE, BE IT RESOLVED BY THE Board of Aldermen of Nashua, New Hampshire:

1. That the proposed Urban Renewal Area described above is a slum, blighted, deteriortated, or deteriorating area appropriate for an urban renewal project and that the undertaking by the Nashua Housing Authority of the preparation of surveys and plans for an urban renewal project of the character contemplated by Section 110 (c) of Title I in the proposed Urban Renewal Area is hereby approved.

2. That the financial assistance available under Title I to assist urban renewal projects will be needed to enable the Nashua Housing Authority to finance the undertaking of the proposed Project.

3. That it is cognizant of the conditions that are imposed in the undertaking and carrying out of urban renewal projects with Federal financial assistance under Title I, including those relating to the relocation of site occupants and the provision of local grants-in-aid and the requirement that as a condition to the execution of a contract for a loan or capital grant for an urban renewal project the locality must present to the Housing and Home Finance Administrator a workable program for community improvement, as set forth in Section 101 (c) of Title I, for utilizing appropriate public and private resources to eliminate and prevent the development or spread of slums and urban blight; and that it is the sense of this body: (a) that a feasible method for the relocation of families displaced from the Urban Renewal Area, in conformity with the requirements of Title I, can be prepared, (b) that local grants-in-aid can and will be provided in an amount which will be not less than one-fourth of the net project cost of the Project and which, together with the Federal capital grant, will generally be equal to the difference between gross project cost and the proceeds or value of project land sold, leased, or retained for use in accordance with the urban renewal plan.

4. That the filing by the Nashua Housing Authority of a request for concurrence by the Housing and Home Finance Administrator in the commencement of surveys and plans for an urban renewal project to be undertaken on a three-fourths capital grants basis in the proposed Urban Renewal Area described above is hereby approved.

LAYING OUT A COMMON SEWER AND ASSESSING DAMAGES FOR SEWER EASEMENTS FOR SOUTH MERRIMACK INTERCEPTOR CITY OF NASHUA

(Endorsed by Mayor Mario J. Vagge)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

1. That there is occasion and need for the layout of a sewer for the South Merrimack Interceptor within the City of Nashua.

2. That there is occasion and need for the layout of Sewer Easements in the site described in the Petition of Leo R. Lesieur submitted to this Board and dated June 5, 1962.

3. That the City of Nashua has been unable to acquire by contract or otherwise, for a reasonable price, the tract of land for which damages are hereby assessed.

4. The following described Easements, to be taken by condemnation proceedings from the owners of said land as in layout of highways by selectmen, and that the area included in the following descriptions of easements of land be and is hereby laid out for the South Merrimack Interceptor. That the Location and limits of Sewer easements required for the South Merrimack Interceptor between the Sewage Treatment Plant and Spit Brook Road are shown on thirty-two consecutive plans identified "Plan of Sewer Easement" and Plan of Sewer Only.

The following description applies to easements shown in the above plans prepared by Camp, Dresser & McKee, Consulting Engineers, Boston, Massachusetts.

The location of the permanent easement center line is hereafter described in accordance with the plan. The dimensions and limits of temporary easements are as shown on the plan and are to exclude any land under existing buildings. Unless other dimensions are shown on the plans, the permanent sewer easement is 20 ft. wide with sides parallel to and 10 ft. from the described center line and the temporary sewer easements is 50 ft. wide with sides parallel to and 25 ft. from the described center line.

DISCLOSURE OF CONFLICT OF INTEREST
CITY OF NASHUA

(Endorsed by Alderman Maurice L. Noel)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, New Hampshire Laws of 1913, Chapter 427, Section 48, confers upon the Board of Alderman of the City of Nashua "all functions . . . whether legislative, administrative, executive or judicial" available to it by law in the exercise of its powers and in the discharge of its duties; and

WHEREAS, The Board of Aldermen acts in a judicial or quasi-judicial capacity in the exercise of its powers and discharge of its duties in regard to urban renewal projects and housing projects in the City of Nashua, and

WHEREAS, Aldermen acting in a judicial or quasi-judicial capacity are held to a high degree of impartiality, and are required to fulfill the obligations of their office without any interest of their own in the matter being deliberated and without any such connection with the parties in interest as would be likely to influence their judgment; and

WHEREAS, Where such an interest, or connection, or both, does exist, invalidity may attach to the particular action or decision of the Board of Aldermen despite the fairness of the action and despite the good faith of the particular Alderman;

Now, therefore be it

RESOLVED, That any member of the Board of Aldermen who has knowledge of, or receives written notice of, a conflict of interest, actual or potential, upon his part in regard to actions and decisions of the

Board of Aldermen touching and concerning the Myrtle Street Project, so-called, Park Street Project, so-called, or both, shall disclose such conflict of interest, in writing, both to the Clerk of the City of Nashua and to the Nashua Housing Authority and such written disclosure shall be entered upon the minutes of the Board of Aldermen and of the Nashua Housing Authority, respectively; and be it further

RESOLVED, That when acting judicially or quasi-judicially in his capacity as alderman, the alderman knowing of a conflict of interest upon his part, or making a written disclosure of such conflict of interest, shall neither vote, nor be considered in establishing a quorum, nor participate in any manner in the proceedings of the Board of Aldermen touching upon or concerning urban renewal projects and housing projects to which the conflict of interest of such alderman applies and relates.

RESOLUTION

RESOLUTION OF THE BOARD OF ALDERMEN
AMENDING THE REDEVELOPMENT PLAN FOR
PROJECT NO. UR N.H. 4-1
CITY OF NASHUA

(Endorsed by Alderman Alfred A. Arel)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the Board of Aldermen of the City of Nashua has passed, on June 9, 1959, a resolution entitled "Resolution of the Board of Aldermen of the City of Nashua approving the Redevelopment Plan and the Feasibility of Relocation for Project No. UR N.H. 4-1, City of Nashua", and,

WHEREAS, said Board of Aldermen passed on February 27, 1962, a resolution entitled "Resolution of the Board of Aldermen amending the Redevelopment Plan for Project No. UR N.H. 4-1"; and,

WHEREAS, a further study of said Redevelopment Plan, as amended, has revealed that several other changes are necessary for the improvement of said Project; and,

WHEREAS, there has been prepared and referred to the Board of Aldermen for review and approval, a proposed Amendment dated December 3, 1962, to said Redevelopment Plan, as amended, consisting of two (2) pages and six (6) exhibits, all of which said exhibits are maps;

NOW, THEREFORE, BE IT RESOLVED, by the Board of Aldermen of the City of Nashua, as follows:

1. That the amendments to said Redevelopment Plan, as amended, annexed hereto, for the Project aforementioned, having been duly reviewed and considered, are hereby approved, and the City Clerk be and is hereby directed to file said copy of said amendments with the minutes of this meeting.

2. That it is hereby found and determined that the Plan, as amended, conforms to the general plan for the development of the locality as a whole.

3. That all other provisions and findings of the resolution pertaining to the approval of the original Redevelopment Plan passed on June 9, 1959, and of the resolution pertaining to the amendment to the amendment of said Redevelopment Plan, passed on February 27, 1962, which are not inconsistent herewith, are hereby affirmed and approved.

RESOLUTION

AUTHORIZING THE MAYOR, TREASURER AND FINANCE COMMITTEE TO BORROW MONEY IN ANTICIPATION OF TAXES
($3,500,000.00)
CITY OF NASHUA

(Endorsed by Alderman Francis LaFlamme)

In the Year of Our Lord One Thousand Nine Hundred and Sixty-Two

RESOLVED, By the Board of Aldermen of the City of Nashua

That pursuant to Section 9, Chapter 33, of the Revised Laws annotated of New Hampshire, 1955, the Mayor, Treasurer, and Finance Committee are authorized to incur debts from time to time during the Municipal fiscal year beginning January 1, 1963 to an aggregate amount

not exceeding Three Million Five Hundred Thousand Dollars for Temporary Loans in anticipation of and payable from the taxes of the said year and to issue therefore notes of the City signed by the Mayor and countersigned by the Treasurer and certified by THE FIRST NATIONAL BANK OF BOSTON and to renew the same by the issue of other like notes, but all notes issued hereunder shall be payable within one year after the date when the debt represented thereby was originally incurred.

AMENDING THE ZONING MAP AND CHAPTER VIII OF THE REVISED ORDINANCES OF 1950, AS AMENDED, ENTITLED "ZONING AND REGULATIONS (EAST DUNSTABLE ROAD)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That the zone map entitled "City of Nashua, N. H.", Zoning Map, 1957 as incorporated by reference to Article 1 of Part II entitled

"Zoning and Regulations" of Chapter VIII of the Revised Ordinances of the City of Nashua, as amended, be and are amended as follows:

That the following described tract of land now zoned as "S" Suburban District be changed to "SR" Suburban Residence District

Beginning at the intersection of Old Maids Brook and East Dunstable Road thence:

(1) Southerly by the centerline of East Dunstable Road to New Searles Road, thence:

(2) Southwesterly by the centerline of New Searles Road to Salmon Brook, thence;

(3) Southerly by the center line of Salmon Brook to the center line of Searles Road; thence

(4) Easterly by the center line of Searles Road to its intersection with the center line of Middle Dunstable Road; thence

(5) Northerly by the center line of Middle Dunstable Road to its intersection with the center line of Lamb Road; thence

(6) Easterly by the center line of Lamb Road to its intersection with the center line of East Dunstable Road; thence

(7) Southeasterly by the center line of East Dunstable Road to its intersection with the center line of Spit Brook Road; thence

(8) Easterly by the center line of Spit Brook Road to a point two thousand (2000) feet west of the center line of the Daniel Webster Highway; thence

(9) Northerly by a line parallel to and two thousand (2000) feet west of the Daniel Webster Highway to the intersection of said line with the center line of Tennyson Avenue extended easterly; thence

(10) Westerly by the center line of Tennyson Avenue extended and the center line of Tennyson Avenue to its intersection with the center line of Dickens Street; thence

(11) Northwesterly to the point of beginning.

And that Chapter VIII of the Revised Ordinances of 1950, as Amended, Entitled "Zoning and Regulations, be and are amended as follows:

1. Amend Article I — Section 2 by inserting "SR" Suburban Residence District" after "Suburban District" and before "Single Family Residence District".

2. Amend Article II by inserting the following after "Section 6 'S' Suburban District" and before "Section 7 'A' Single Family Residence District."

"Section 6A - 'SR' - Suburban Residence District.

In a 'Suburban Residence' District, land may be used and buildings or structures may be erected, altered or used only for the following:

A. One family dwelling.

B. Church or other place of worship.

C. Educational Institutions not operated primarily for profit.

D. Governmental or municipal facilities such as libraries, parks, parks, playgrounds and the like.

E. All uses commonly classed as agriculture, horticulture, forestry, including crop and tree farming and gardening; dairy farming or stock farming on a tract not less than 5 acres in area, provided that the keeping of animals must conform to the health requirements, and be conducted in such a manner that it will not be detrimental to neighbors by reason of order or noise.

F. Wayside stand or salesroom for the display or sale of agricultural or horticultural products produced on the premises provided off-street parking is provided.

G. Accessory use, incident to any of the principal uses above listed.

H. Signboard not to exceed 10 sq. feet in area, and subject to the provisions of the building code, advertising the sale or rental of the property upon which it is maintained.

I. Home occupation such as that of architect, engineer, lawyer, physician, or other professional person whin located within his or her dwelling and assisted by not more than one employee, and provided that the characteristics of the dwelling are not materially altered and that suitable parking is provided. One sign not over 1½ sq. feet is permitted showing the name of the owner and his profession. Said sign may be illuminated but with no color other than white. Flashing signs are prohibited. Also including in the case of a farm, the necessary barns and outbuildings.

J. Electric substation, gas regulating substation, communication facility or the like provided that the Zoning Board of Adjustment finds that such use will not be injurious, noxious or offensive to neighboring uses and not deleterious to the value of surrounding properties.

3. Amend Article II, Section 10 by inserting after the numeral "9", and before the word "shall' the following,

"but not including Section 6A,"

4. Amend the "Table of Height Limitations, Area and Yard Requirements" by inserting the following district and limitations and requirements:

District - SR, Suburban Residence

Height Limits - 35' - 2½ stories

Front Yard Set Back to Building Line - 40'

Side Yard Set Back to Building Line - 20'

Rear Yard Set Back to Building Line - 40'

Minimum Lot Area - 18,000 sq. feet

Minimum Frontage - 120 feet.

AMENDING SECTION 2 OF CHAPTER XVII

OF THE REVISED ORDINANCES ENTITLED
"PARK-RECREATION COMMISSION" AS AMENDED
BY ORDINANCE APPROVED MARCH 24, 1954

(Endorsed by Alderman Richard P. Joyce)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

That Section 2 of Chapter XVII of the Revised Ordinances entitled "Park-Recreation Commission" as amended by ordinance approved March 24, 1954, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 2. COMMISSION, HOW COMPOSED.

That the Mayor be and is hereby authorized to appoint, subject to the approval of the Board of Aldermen, a commission to be known as the Park-Recreation Commission. The said commission shall be composed of five (5) members who shall be appointed as follows:

On April 1, 1954, two members to serve for three years, two members to serve for two years, and one member to serve for one year.

Thereafter each member shall be appointed for a term ending three years from the date of the expiration of the term for which his predecessor was appointed, and a person appointed to fill a vacancy shall be appointed for the unexpired term. Each member of the commission shall hold office until his successor is appointed and qualified, unless sooner removed. No member of the Park-Recreation Commission shall be a member of the Board of Aldermen or an employee of any other City Department. The members of said Park-Recreation Commission shall receive One Hundred Dollars ($100.00) per year, except the Clerk who shall receive Two Hundred ($200.00) Dollars per year.

All Ordinances or parts of Ordinances which are inconsistent herewith are hereby repealed.

REPORTS OF CITY DEPARTMENTS FOR THE YEAR ENDING 1962

REPORT OF THE BOARD OF ASSESSORS

December 31, 1962

To Mayor Mario J. Vagge
Members of the Board of Aldermen.

Gentlemen:

The Board of Assessors herewith submit the annual report for 1962.

The Board of Assessors and staff for 1962; Chairman David P. Stevens, Paul E. Sirois and Oscar N. Grandmaison. Office Staff; Louis A. Richard, head clerk; Mrs. Lois Moran and Mrs. Rela Burns, clerks.

The year of 1962 was another record year and with considerable building and real estate sales, figures for 1962, topped all records in the history of the city.

The 1962 total valuation of the City of Nashua reached another all time high of $77,778,239, an increase of $4,870,106. This increase in valuation of nearly five million is the largest increase in any single year in the history of the city. Increased building with new industrial plants, commercial buildings, a large increase in new homes and additions or alterations to present buildings resulted in additional work for the Assessors and staff. The work of adjustment of older properties continued and adjustments were made in all sections of the city of Nashua. The Assessors are continuing the work of adjustment in an effort to equalize properties.

The State Tax Commission approved a tax rate of $70.50 for 1962 an increase of $8.50. With an increase in the 1962 budget to record figures the tax rate would have been much higher but for the large increase in valuation picked up by the Assessors.

The Assessors' office mailed out 10,150 inventories to property owners, manufacturers, stores and others in 1962. This showed an increase of 242 over the number mailed in 1961. Of the 10,150 inventories mailed, there were 8,962 returned, evidence of the continuing increase in the work in the office.

There was an increase again in 1962 in the applications for the Veterans exemption of $1,000. The total number of veterans granted the exemption was 2,714 an increase of 223. The total number and the amount of exemptions showed an increase from $2,600,070 in 1961 to $2,754,740 in 1962. This was an increase of $154,670. Poll tax exemptions granted Veterans was 4,720 an increase over 1961 of 147. The Assessors listed 16,211 for poll taxes and 20,931 for head taxes. The many new housing developments in outlying sections has increased the work in the annual poll and head tax canvas taken in April of each year.

During the year there were 1,723 property transfers, an increase of 63 over 1961 All of these deeds were copied at the Register of Deeds and the work of recording all of these transfers added work in the office, including changing of master record cards, map changes and changing addressograph plates.

The Assessors made 2,317 inspections of property, including new buildings, additions or alterations and many inspections for assessment adjustments. The Assessors program calls for continued adjustments throughout the city in an effort to bring about eventual equalization of all property. Well over one thousand adjustments were recorded in 1962.

During the year the Board received 130 requests for abatements and held many hearings on these requests followed by thorough investigation of these complaints and re-inspection of the properties involved. A total of 74 abatements were granted on residential property and this is a small percentage in comparison to the number of parcels in the city. Nashua's percentage is one of the lowest in the State. Two appeals were taken to the State Tax Commission by property owners and the Commission upheld the Assessors and denied any abatements.

In addition to listing all property saies, making changes in records, the office has continued to list all recorded mortgages and compiled much information of new building as well as records of manufacturing and business establishments.

The books and records of the Assessors' office are open for public inspection during office hours. Many letters have been answered regarding property owners, assessments and other information. Many people have visited the office for information regarding property taxes, names and addresses of property owners, size and location of land and other information.

The Assessors and members of the staff have co-operated in giving information and assisting in all requests.

Respectfully submitted

DAVID P. STEVENS, chairman
PAUL E. SIROIS
OSCAR N. GRANDMAISON

SUMMARY

	1961	1962	Increase	Decrease
Inventories Mailed	9,908	10,150	242

ANNUAL REPORT OF THE BOARD OF FIRE COMMISSIONERS FOR THE FISCAL YEAR OF 1962 CITY OF NASHUA, NEW HAMPSHIRE

TO THE HONORABLE MAYOR AND BOARD OF ALDERMEN

Gentlemen;

The Board of Fire Commissioners herewith submits its Annual Report for the year of 1962.

The Board met on January 1st 1962 and organized by electing J. H. McLaughlin, Chairman; H. L. Duprey, Clerk and A. A. Beaulieu, Purchasing Agent.

OPERATING PERSONNEL

The operating personnel on the two platoon system of the Fire Department is as follows: Chief, 1st Deputy, 2nd Deputy, 3rd Deputy Drillmaster, Supt. of Fire Alarm, Master Mechanic, 8 Captains, 8 Lieutenants, 73 Privates and 18 Call Firemen.

FIRE APPARATUS

The following is a list of apparatus stationed in all Stations: 1—1958 Dodge, 1—1960 Plymouth, 1—International Fire Alarm truck, 1—Dodge Maintenance truck, 1—1955 Ford Fire Prevention car, 1—Mack 1956 Engine, 1—GMC FWD Engine 1957, 1—Mack Engine 1947, 1—Mack 1958 Engine, 1—Engine 1957, 1—Mack Engine 1962, 1—Maxim Engine 1942, 1—1937 Chevrolet Engine, 1—Mack Engine 1949, 1—Mack Engine 1958, 1—Mack Engine 1947, 1—1946 - 85' American Lafrance Aerial Ladder, 1—1959 - 75' Mack Aerial Ladder and in reserve 1—1925 Ahrens-Fox City Service Ladder.

FIRE PREVENTION BUREAU

During the year of 1962, the Fire Prevention Bureau conducted 14,075 Calls which concerns dwellings inspections, investigations, complaints, mercantile inspections, heating installations, school inspections, places of Public Assembly, industrial inspections, Social Clubs, public buildings and other duties which pertain to fire prevention.

We wish to extend our thanks to the Nashua Police Department, Board of Assessors, the Engineers Department, the Board of Health and the City Clerk's office for their cooperation in aiding the Fire Prevention Bureau to carry out its work. We would like to thank the Public Service Co. and the N. H. State Fire Marshal for the assistance given to us during the past year. Our many thanks to the Merchants, the owners and occupants of dwellings, Administrators of institutions, the Manufacturers concerns who so willingly accept our recommendations in the prevention of fires. To the Editor of the Nashua Telegraph, the management of Radio Stations W.S.M.N. and W.O.T.W., The Boy Scouts of America for their time and space in conveying our messages on the Prevention of Fire to the Citizens of Nashua, N. H.

DRILL-MASTER

A total of 531 drills were held during 1962, 148 by Drillmaster and 383 by Company Officers. This includes eleven drills held for Call Men. Courses were conducted during the year on the following subjects. Fire Service hydraulics, ventilation, rescue practices, forcible entry, and First Aid instructions in the resuscitation and handling of Tracheotomees and Laryngectomees. The use of resuscitators, the removal of trapped and injured persons and transportation of same. The handling of ladders, rope work, nozzles, master streams and their devices, ladder pipes, foam equipment and application, cellar fire fighting devices, the practical application of Hydraulics, etc. These were held at the Airport traning ground. Tests were made using all men and apparatus in the City, to determine and establish operating proceedures for dealing with emergencies at local Airport. Experiments with fog-foam equipment for aircraft fire fighting were also held at the airport. A pre-planning and sceteching program designed to aid in the fighting of cellar fires in all the major business buildings in the city, was instituted. An Officers Conference program was set up, all Officers of the Department meet on a monthly basis to discuss operational and administrative problems. In conjunction with the training program, a written examination is held every three months in the Department. These are based on subjects taught during the period, and are designed to determine how men are responding to training they have received. An instructors training course in the Radiation Hazards to Fire Fighters was held and attended by members of the Fire and Police Departments throughout the State. Commission of Washington, D. C. A survey of all Fire Department This course was given by Mr. George S. Miles of the Atomic Energy sprinkler connections in the City was undertaken. All men to be trained in their use and locations. A smoke house was constructed at the Airport Training Grounds together with a small oil pit. The smoke house will be used in Mask training and training in fighting cellar fires and hose fires. The oil pit will be used for general fire fighting techniques. Attended the following schools during the year. Connecticut Fire Officers Conference at the University of Connecticut, New Haven, Connecticut Fire College, Laconia, N. H. Fire College, St. Anselms College for a course on closed chest heart massage, Hanscom Air Base, Bedford Mass., Radiation Hazards course for Fire Fighters. Many related subjects were taught during the year, and training films on many aspects of the fire service were shown. All of the above in addition to the normal every day Fire Department duties.

FIRE ALARM SYSTEM

During the year of 1962 the Fire Alam System has been kept up and also increased in many ways. All fire alarm boxes on circuits 1 through 6 have been put on rotation. The reason for this project was for making it much easier and faster in finding open circuits and bad groundings. My intentions are to finish the project in 1963. Every fire alarm box has had a complete test every other month. The fire alarm systems in sixteen schools are tested twice during the year. We have had an increase of 15 new boxes, which now makes a total of 248 Boxes. Listed below are the new boxes:

MASTER BOXES	STREET BOXES
515 Nashua Country Club	541 Harris Hoad & Bramble Drive
525 John Hunt Home	325 Avon Drive

529 Gilbuilt Homes
717 Hampshire Corporation
663 Edgcomb Steel
616 Fairgrounds Junior High
6321 International Paper Box
1141 Odd Fellows Building
83 Nashua Co-Operative Bank
546 South Main & Clairmoor St.
244 Hills Ferry & Stanford
139 Greenlay & Corona
1421 Broad & Beaver Streets

Four miles of wire was used to connect these new boxes which brings up our total to 99.1 miles of wire throughout the City. New receptacles and lights were installed in the new room at Amherst Street Station and a few more in the other stations. Traffic lights for fire lanes at Central and Amherst Street Stations were also put into operation. 9200 feet of self supporting aerial cable was put up, which in turn replaced the old steel wire and cross arms. This replacement took place on Concord Street from Greeley Park to the Pennichuck Pumping Station, Manchester Street from Cushing Avenue to Beauview Avenue and Cushing Avenue from Manchester to Dartmouth Street.

We also removed 2600 feet of underground cable on Main Street for the Telephone Company which in turn will be replaced with new cable in the near future. There were 95 changeovers made either for the Public Service Co. or Telephone Company. All records required by the Underwriters were kept up-to-date.

REPORT OF THE PUBLIC HEALTH NURSE

Nashua, N. H., December 31, 1962

To the Board of Health, Nashua, N. H.:

Gentlemen:

I herewith submit the following report as Public Health Nurse.

	No. of Cases Reported	No. of Deaths
Chicken Pox	13	
German Measles	5	
Hepatitis	73	
Measles	34	
Meningococcal Meningitis	2	1
Meningitis Viral	2	
Mononucleosis	2	
Mumps	432	
Scarlet Fever	39	
Suspicious Scarlet Fever	9	
Whooping Cough	34	1
Immunization Clinics held	44	
Inoculations given against Diphtheria, Tetanus and Pertussis combined	533	
Inoculations of Gamma Globulin	32	
Inoculations given against Influenza	149	
Inoculations given against Poliomyelitis. (Salk Vaccine)	897	
Oral vaccine given against Poliomyelitis (Sabin Vaccine)	10,842	
Smallpox Vaccinations	254	
Home Calls made for Communicable Diseases and Parochial Schools supervision	253	

Respectfully submitted,

LILLIAN MORIN, R.N.
Public Health Nurse

REPORT OF THE HEALTH OFFICER

Nashua, N. H., December 31, 1962

To the Board of Health, Nashua, N. H.

Gentlemen:

I respectfully submit, as Health Officer, the following report.

SANITARY INSPECTIONS

Restaurants - Cafeterias - Caterers - Variety Stores	542
Bacteriological Test of Glassware or other articles for Evidence of Efficiency or Disinfection	310
Soda Fountains and Ice Cream Cabinets	71
Ice Cream Manufacturers	8

Coffee House	2
Bakeries - Bakery Vehicles	72
Wholesale grocers - Wholesale meats	8
Fish Markets	11
Bottling plants	2
Poultry slaughterhouses and dealers	12
Pharmacies	7
Hospitals - Convalescent Homes	15
Hotels - Motels - Cabins	42
Apartment buildings	12
Barber shops - Theatres	20
Bowling alleys - Pool rooms	9
Wells investigated - Water samples taken - Plumbing fixtures	41
Complaints investigated - Foster home inspections	147
Municipal swimming pools - Private swimming pools	21
Lodges - Clubs - Public Halls	8
Yards and alleys inspections	31
Dumps - Broad St. - Searles Rd	61
Sewage and Cesspool complaints investigated	43
Number of Dog Bites	89

FOUND UNSATISFACTORY

Restaurants	12
Meat Markets	3
Soda Fountains and Ice Cream Cabinets	5

Sincerely,

CHARLES H. BRODEUR
Health Officer

HEALTH REPORT OF PAROCHIAL SCHOOLS

Nashua, N. H., December 31, 1962

Gentlemen:

We respectfully submit the following report as School Nurses for the Parochial Schools, from January 1st, 1962 to January 1st, 1963.

PERSONNEL:

William D. Thibodeau, M. D.	School Physician
Paul H. Ouellette, D.M.D.	School Dentist
*Alfred M. Gagnon, D.D.S.	School Dentist
Joyce E. Bickford, R.N.	School Nurse
Alice B. Charest, R.N.	School Nurse
Stella J. St. Laurent, R.N.	School Nurse

*Resigned September, 1962

REGISTERED:

Holy Infant Jesus School	393
Sacred Heart Academy	185
Sacred Heart School (St. Patrick's)	451
St. Aloysius Grade School	400
St. Aloysius High School	275

St. Christopher's School	332
St. Francis Xavier School	446
St. Joseph's Grade School	715
St. Joseph's Orphanage	15
Total	3212

DEFECTS:

Glands (Cervical)	132
Ear Infections	91
Hearing	10
Heart Murmur	8
Lungs: Calcified glands, Healed T.B. infection	3
Primary Complex, arrested	9
Mental Retardation	14
Nervous System	11
Nutrition (Underweight)	785
Orthopedic	24
Speech	12
Teeth (Pupils treated)	142
Tonsils	177
Vision (glasses)	339

COMMUNICABLE DISEASES:

Chicken Pox	65
German Measles	12
Hepatitis	20
Measles	208
Mumps	56
Pneumonia	36
Scarlet Fever	19
Scarlet Fever Contact	25

Arnold Drive—from Wave Avenue to Pine Hill Road ..	1060	40
Mischer Drive—from Wave Avenue to Arnold Drive	800	40
Patton Drive—from Wave Avenue to Pine Hill Road ..	960	40
Wac Avenue—from Patton Drive to Arnold Drive	380	40
Berthiaume Park—North Hollis Road		

STREETS

The Department continued its repaving program by resurfacing with hot asphaltic concrete. Amherst Street from Abbott Street to Broad Street, Allds Street from Merrill Street to Williams Street. Two streets were rebuilt and paved with asphaltic pavement. East Dunstable Road from Harris Road to the New Searles Road and Dublin Avenue from Broad Street to Woodland Drive. Broad Street from the F.E. Everett Highway to Beaver Street was resurfaced by contract through the N. H. Department of Public Works and Highways. This brings the total mileage of streets constructed or resurfaced with hot top under the Board of Public Works current program (5 years old) up to 12.3 miles. The Board plans to continue this program and hopes to accelerate it in future years. Approximately 100,000 gallons of asphalt and tar and 10,000 cubic yards of sand cover were used to retreat about 40 miles of existing streets. Another 100,00 gallons were used to penetrate about 10 miles of new streets.

New streets in Housing Developments are being established in all parts of the city. They are being graded and graveled by the developers. Surface water drainage is being installed in all new developments under the current policy of the Board of Public Works supplying the material and the developers doing the work.

SEWER AND SEWER DISPOSAL

The first full year of operation of the Sewage Treatment Plant shows that the design and workmanship put into the plant has given the city a well built, good looking facility that will be easy to maintain and efficient to operate. An open house was held in May and about two hundred visitors were shown through the plant.

Plans were completed for extension of the sewer interceptor system:

1. South along the Merrimack River to Spit Brook Road. Cannavino & Shea of Leominster, Mass. were awarded the contract to do the work which got underway in November.

2. West along Salmon Brook to the westerly side of the Everett Highway. This contract will be under construction in 1963.

3. West along the Nashua River from a new lagoon in the vicinity of the Everett Highway to the existing overloaded lagoon in Lincoln Park which will be eliminated in the summer of 1963.

4. North from the Nashua River and the Everett Highway to Broad Acres, Pine Hill Road and Amherst Street to allow a portion of the area in the Pennichuck Brook water shed to be developed.

A bond issue of $1,350,000. was authorized and sold to cover the four projects just mentioned. Federal Public Health Service and the State will contribute towards the total cost of work.

The sewer collection system in the city was expanded by about ten miles of sewer laid in new residential areas. Some of the streets in which sewers were installed are:

DEPARTMENT EXTENSIONS

Bramble Drive	Broad Street
Cross Street	Damon Avenue
Dixville Street	Donna Street
Dover Street	Dublin Avenue
Durham Street	Epping Street
Farmington Road	Hatch Street
Hayden Street	Orland Street
Ross Street	St. Joseph's Drive

New sewer connections installed by City of Nashua	189
New sewer connections installed by Developers	244
Total	433

RUBBISH COLLECTION AND DISPOSAL

Negotiations for the purchase of land off West Hollis Street for a new disposal area have been long and drawn out. It appears that they will be completed early in 1963. Two new 20 cubic yard Packers were purchased. Normal operation is carried on with seven Rubbish Packer Trucks and open Trucks when needed.

REPORT OF THE
TRUSTEES OF EDGEWOOD CEMETERY
FOR THE YEAR ENDING 1962

During the year 1962 we regraded and removed all curbs in sections E and part of G, reseeded and grassed all walks in these sections. We enlarged section T, adding space for some eighty additional four grave lots in this section. We started to clear an area next to Cushing Ave. so that next year we may expand in this direction. The grounds and buildings were maintained in as good condition as possible.

The Trustees deeply regret the death of the late Stephen W. Bastow, who was elected a Trustee in 1938, and had served as President of the Board since 1948. His counsel and leadership will be greatly missed.

During the past year, much progress has been made in filling in the West End of the Cemetery, thanks to the Board of Public Works.

It is the earnest desire of the Trustees to complete the fence on the West Hollis Street side of the Cemtery, as soon as funds are available.

The Cemetery has been maintained in the usual manner, and the Trustees feel that it is in the best condition possible, with the resources available.

Respectfully submitted,

NILES F. JENSEN, President

ROBERT N. FRENCH, Secretary
Trustees for Woodlawn Cemetery

Nashua, N. H., January 29, 1963

REPORT OF THE CITY SOLICITOR

YEAR ENDING 1962

May 1, 1963

To His Honor the Mayor and the Board of Aldermen
City Hall Building
Nashua, New Hampshire

Gentlemen:

During the year 1962 I performed to the best of my ability all the duties appertaining to my office as City Solicitor. Upon request I have drafted all resolutions, ordinances, contracts, deeds, leases, easements, written opinions and all other legal instruments affecting the City of Nashua.

I have prosecuted several civil actions brought by order of the City and have appeared in defense of all law-suits brought against the City and its officers in their official capacity.

I have also prosecuted criminal cases in Municipal Court whenever requested by the Chief of Police.

Respectfully submitted,
LEO R. LESIEUR
City Solicitor

TRUSTEES' REPORT FOR 1962

To Mayor Mario J. Vagge, Nashua Board of Aldermen, and the Citizens of Nashua:

The Board of Library Trustees have had a busy twelve months. It has been a year of accomplishment and activity, but also one of sadness.

The Trustees, with great regret, accepted the resignation of Walter S. Nesmith. Mr. Nesmith's contributions to library affairs have been many and large. His advice and wise counsel will be sincerely missed. Donald W. Erion was appointed unanimously by the Board to fill Mr. Nesmith's unexpired term.

The Board was deeply saddened by the sudden and untimely death of Edward C. Smith, Trustee since 1944. Mr. Smith's efforts and interest in the library's growth have been very large. He played a major role in the establishment of the Chandler Library and throughout his long term as a Trustee, took a keen and active interest in its problems and development. Mr. Smith's gentle manner and wise counsel, his firmness of purpose and consideration of the viewpoint of others will be sincerely missed by the entire Library Board and the citizens of Nashua.

Though saddened by the resignation of Mr. Nesmith and by the loss of Mr. Smith, the Trustees can report another successful year in the operation of the library, during which the citizens of Nashua have been furnished extensive and intelligent services under the direction of Mr. Sakey and his staff.

The library was the beneficiary of the Alfred E. Smith Trust Fund in the amount of $4,389.00. The income of this fund, in accordance with the wishes of Mr. Smith, will be used for the purchase of art books. This fund will aid considerably in the development of the Art Library, presently housed at the Chandler Branch.

In previous reports, the Trustees revealed the phenomenal extent to which the library's service to the citizens of Nashua has grown. The Trustees, indeed, were pleased at the acceptance of "our product", but at the same time indicated serious concern if the growth continued at the same level.

It has become increasingly clear for several years that the facilities at the Hunt Memorial Library are taxed beyond capacity. Like the school department, the continued substantial growth and expansion of the city has had its full impact on the main library. It is evident to all that problems lie ahead. It is also problematical how far the present facilities at Hunt can be stretched if satisfactory service is to be maintained.

The Board of Library Trustees shall devote much time and study in the new year to the space problem at the Hunt Library. Meetings with the city planner, chairman of the Planning Board, the Mayor and other city officials will continue to take place.

The Board of Library Trustees extend their sincere thanks to the Librarian for his cooperation and devotion to the growth and development of the library. In addition, the Trustees recognize the importance of the contributions made by the loyal and dedicated staff.

In the following pages the Librarian reports in more detail on the operation of the library during this fiscal year.

Respectfully submitted,

FREDERICK H. DOBENS, Chairman
Board of Library Trustees

LIBRARIAN'S REPORT FOR 1962

To the Board of Trustees of the Nashua Public Library:

THE PRINCIPAL PROBLEM

As stated by Mr. Dobens, Chairman of the Board, in his report, the facilities at the Hunt Library are taxed beyond capacity. In past years I have repeatedly called attention to the limitations of the main library. It was built in 1903, and has served as library headquarters for a population which has increased 70% and a circulation which has increased 518%. The library's workroom is makeshift and inadequate. Few are aware that it serves as cataloging room, receiving and shipping room, processing room and offices for reference. At point of greatest use each day it becomes virtually impossible for any one employee engrossed in her own assignment to concentrate on its accomplishment, due to the noise and confusion resulting from the various functions in one room. Book capacity in the reference room, children's room and stack areas has been reached and the library has run out of temporary steps to relieve the congestion. The children's room can seat eight comfortably. The reference room can seat thirty-two. This is entirely inadequate.

Many programs which represent our attempts at adult education and which require meetings rooms and a small auditorium have been cancelled because the latter are not provided in the present building.

If we are to make long range plans, the main library requires our immediate attention. The problem is one of inadequate physical facilities. A capital expenditure for a new main library is the hard reality to be faced. Until a considered policy decision is reached, resulting building plans made, and finally the means of acquiring funds found, our library program and our best efforts will fall short of our more enlightened ambitions to give Nashua the superior library service we strive to attain.

What happens when a library systematically reaches out to the community with programs of films, lectures, discussion groups, children's hours, publications and publicity? These figures give the answer:

	1951	1962	Increase
Nashua's population	34,669	41,000 (est.)	18%
Books in library	59,606 (est.)	102,650 (est.)	72%
Registered borowers	9,277	17,832	93.5%
Circulation	143,611	321,501	122%

In short, the demand for books and other library materials has grown seven times as fast as Nashua's population.

THE BUSINESS DEPARTMENT

The Business Department celebrated its first anniversary in 1962 with salutes from leaders of industry, commerce, and libraries throughout the State. With a small collection of directories and other reference works from the Hunt Library's collection and purchases made from the Hussey Fund, it is the first public library in New Hampshire especially designed for business.

Important additions to the Business Department's collection this year have been made in the fields of accounting, investment services, small business administration, taxes and corporation reports, insurance, sales and personnel administration.

The success of the Business Department as an important instrument and tool for the business men of the city is already self-evident.

THE ART AND MUSIC DEPARTMENTS

The Art and Music Departments also celebrated their first anniversaries in 1962. These departments have made the Chandler Library a recognized center for art and music in the Nashua area as well as throughout the state. Many similar departments in other libraries in New Hampshire and Vermont have been patterned on the Nashua prototype.

THE CATALOG DEPARTMENT

The Catalog Department is the nerve center of the entire library system. This department turned out a tremendous work load this year. In addition to adding 7,135 books and 165 record albums to our collection, it repaired about 3,156 books, withdrew after careful inspection 3,389 volumes, and arranged for rebinding some 933 books. It added

21,000 new catalog cards to our catalog, which, of course, includes the classification as well as cataloging of the books represented by these cards. For a detailed tabulation of these figures, your attention is invited to the statistics of Book Acquisitions appended to this report. To the work must be added the shipping of books to the Chandler and Bookmobile Branches. About 20,000 books were handled this way in 1962.

THE REFERENCE DEPARTMENT

One of the public library's most important services is what is commonly called reference service. Let's take a closer look at what the library is doing today. In a typical year at the Hunt Library alone:

7,337	incoming telephone calls
3,065	are given directions at the desk
2,415	filled out reserve cards
5,178	readers' advisory questions were answered

It would be difficult, indeed, to underestimate the contribution this service makes towards a better-informed community.

FRIENDS

During the year, 334 books were presented to the library. Unfortunately, it is not possible to list here all the individual donors. However, their generosity was acknowledged when the gifts were made.

I do, however, wish to thank the Nashua Co-operative Bank, the Second National Bank, and the Youth Corner, Collins Flowers, and Jean's Foodland whose kindnesses warrant special mention.

A gift of $25.00 was received from Mr. and Mrs. Albert Lewitt. Its use was left to the discretion of the City Librarian. Such gifts are, of course, especially appreciated.

Residents of the city contributed many interesting exhibits throughout the year. At this time we wish to especially thank the Nashua Artists' Association, the Nashua Camera Club, and Mrs. Ralph Hardy of Hollis for their continuing interest in library matters.

The Nashua Telegraph and its Editor, Frederick H. Dobens, gave space generously for library announcements and stories.

Spot announcements and broadcasts by radio stations WSMN and WOTW helped publicize library activities, also.

We can hope that the many persons who have given books, time and effort to library matters will understand that their kindnesses are appreciated by the Trustees, the library staff, and your City Librarian.

In concluding this report, I wish to express my sincere and profound thanks to the Trustees and library staff for their cooperation in helping to provide the citizens of Nashua with superior library service.

Respectfully submitted,

JOSEPH G. SAKEY
Librarian

REPORT OF THE PARK-RECREATION COMMISSION

To His Honor, The Mayor, and the Board of Aldermen:

Gentlemen:

The Park and Recreation Commission respectfully submits its annual financial and activities report for the year 1962.

Respectfully submitted,

I. SEYMOUR GOODMAN, Chairman
ALEXANDER BUDER, JR., Clerk
JOHN W. LATVIS, Commissioner
GEORGE G. GOULET, Commissioner
WILFRED GRANDMAISON, Commissioner

ANNUAL ACTIVITIES REPORT

PARK-RECREATION DEPARTMENT

BIDDY BASKETBALL (BOYS)

The Boys' Biddy Basketball League consists of fourteen teams with boys ranging in age from nine to twelve years. This year the schedule began in January and the boys played games on Friday nights and Saturday mornings. Approximately 300 boys take part in this activity during the months of January, February and March. The Board of Education allowed, as in the past, the following school auditoriums to be used. They were Charlotte Avenue, Ledge Street, Junior High and Fairgrounds.

BIDDY BASKETBALL (GIRLS)

There were six Girls' Biddy Basketball teams again this year. There were approximately 200 girls who took part in this league. Their schedule also started in January and games were held on Friday nights and Saturday mornings. The same school auditoriums were used through the courtesy of the Board of Education.

J. V. BASKETBALL

In 1962, a new boys league was formed to accommodate boys ranging from thirteen to sixteen years of age. The J. V. Basketball League consists of eight teams and there were approximately 300 boys who participated. As in Biddy Basketball, the J. V. schedule also started in January. All games were played at Ledge St. School on Friday evenings, Saturday afternoons and Monday evenings.

SKATING

During the past winter season, there have been many fine days for skating. This year two new skating rinks have been added. One is located on the Harris Road and the other on Rancourt Street. There are also the rinks located at Marshall Street, Atherton Avenue, Holman Stadium and Textile Field. Lights and water pits were installed at Harris Road and Rancourt Street. Two new skating shanties were also built.

WADING POOLS

The wading pools are located at North Common, Temple Street, Bridge Street, Sullivan Park, Textile Field and Atherton Avenue. For the Safety of the children, only about ten inches of water is allowed to accumulate in the bottom of the pool. These pools are equipped with a sprinkler head and water runs constantly.

BASEBALL

The Babe Ruth League consists of eight teams. Boys ranging in age from twelve to fifteen take part. They are registered with the National Babe Ruth League, Inc. and play according to national rules. An All-Star team was chosen from the various teams and the players took part in the State Babe Ruth Tournament in Laconia, N. H. At Textile Field there is a new Little League Ball Park complete with fence, backstop and canopy.

SOFTBALL

There are four girls' softball teams and girls up to sixteen years of age may take part in this activity.

GREELEY PARK

During the 1962 summer season many people enjoyed the facilities which are located in Greeley Park. The twenty-four fireplaces were used for cookouts and family picnics. More tables were put out for the use of the public.

The youngsters enjoyed the new playground equipment installed this year, including slides, merry-go-rounds, swings, etc. There is also a small swimming pool for the children's use.

Two attendants keep the different areas of the Park under surveillance. They are Mr. Ernest Laycock and Mr. Grover Dicey.

The plants are grown in the greenhouse next to the Park Department Office. The beds of flowers are planted at Greeley Park, Deschenes Oval, the monument, Stark Square, Foster Square and other spots throughout the city. A Girl Scout flower bed was planted in Greeley Park.

This year the rest rooms at Greeley Park were enlarged.

POP WARNER

In 1962, there were four local teams and two traveling teams. The additional traveling team was sponsored by the Veterans of Foreign Wars Post 483 and the team was called "V. F. W. Bantam". In its first year of league play the Bantam team was undeafeated and became the Conference Champions.

PERMITS

Permits for the use of the various fields were issued to different leagues free of charge.

PLAYGROUNDS

Many children attended the local playgrounds which were supervised by boy and girl Playground Supervisors. The Supervisors organized games for the children and held various contests.

The Arts and Crafts Instructors visited the different playgrounds with coloring books, leather goods, gimp articles and other items. They taught the children how to make different articles.

Softball and basketball leagues were formed and the teams competed at the different areas. New basketball boards and posts were installed at Sullivan Park, Temple Street, Textile Field and Atherton Avenue.

On the Fourth of July, a Field Day sponsored by For A Better Nashua, Inc., was held at the Holman Stadium. The children competed in various races, ball throwing, bean bags, etc. Awards were given to the winners and refreshments were served.

In August, a similar event was staged, sponsored by the Nashua Lodge of Elks.

At the close of the playground season, candy, gum and ice cream are distributed at each area. Miss Sandra Shislo, Program Director, chose Sullivan Park as the outstanding playground of the year. Nancy Taylor and Paul Mellin, Playground Supervisors, received the Scott Jewelry award from Mr. Maurice Connor, manager of Scott Jewelry.

SWIMMING POOLS

Mr. Patrick Sweeney was Pool Supervisor at Fields Grove this year. For his first year as supervisor, Mr. Sweeney had things running well all season. There was also a new Pool Matron, Miss Carolyn Legarsky. Six lifeguards were on hand at this pool. The Swimming Instructress, Miss Pat Desrochers reported large classes which were held every morning.

All dressing partitions on the girls side were repaired.

At Centennial Pool, the Pool Supervisor was Stephen Barnes. Again this year, the Pool Matron was Mrs. Hazel Johnson. Miss Diane McCallister, the Swimming Instructress also had large classes and these also were held daily. Adult classes were given in the evenings by Miss Pat Laliberte who was one of the lifeguards. There were five lifeguards employed at this pool. Everything went smoothly at both pools and large groups of children were in attendance each day. The pool remained open evenings for adults.

Aquatic Days were held again this year at both pools. The youngsters who were registered in the swimming classes participated in the races and other events which were set up by Miss Diane McCallister and Miss Pat Desrochers. Awards were given to the winners of the various events.

BANQUETS

Each year banquets are held for those who participated in the various leagues. At this time, trophies and awards are given out.

At the Pop Warner Banquet held on November 26, the Toastmaster was Mr. Charles "Buddy" Harvey. This year, the principal speakers were Mr. Babe Parilli and Mr. Charles Long of the Boston Patriots, A.F.L.

ADDITIONS

In 1962, a new track was built at the Fairground site.

The Holman Stadium was water-proofed and the cement walks were repaired. Outside lights were added and the broadcasting booth was repaired and painted.

REPORT OF THE POLICE DEPARTMENT

May 6, 1963

The Honorable Mayor and Board of Aldermen
City of Nashua
City Hall
Nashua, New Hampshire

Subject: Annual Report

Dear Sir:

The Nashua Police Commission is pleased to submit its annual report for the year 1962.

Joseph L. Regan resigned as Chief of Police on December 11, 1962 and on that date Paul J. Tracy was appointed Chief of the department. Chief Tracy has been a member of the Nashua Police Department for 31 years and at the time of his appointment as Chief held the rank of Captain.

During 1962 there were 16 appointments, 10 resignations and 1 death involving department personnel.

The department was saddened by the death of C. Henry O'Neil, Clerk of the police commission. Commissioner O'Neil was appointed to the Nashua Police Commission on October 15, 1956 and served until his death on December 21, 1962.

The department was granted an appropriation of $412,304.00 for the calendar year 1962. $387,047.10 was expended leaving an unexpended balance of $25,256.90. The substantial surplus was in the salary accounts and was due to operating below authorized strength during 1962.

The department collected $21,587.03 during the year. The sources and amounts are explained in detail on attached schedule A.

There were two highway fatalities in Nashua during 1962, the lowest number during the past 10 years. The department was very active in traffic accident prevention as indicated by the prosecution of 1,784 traffic cases in Nashua Municipal Court.

Continued emphasis was placed on training of personnel during the year, both on the recruit and advanced level.

A member of the inspector's division was assigned to the position of juvenile officer. The efforts of this office will be directed toward the prevention of juvenile crime and the rehabilitation of young offenders. The juvenile officer will work closely with municipal court judges and the various agencies charged with child welfare.

Attached, in addition to the revenue report, is a report of 1962 arrests and convictions and a roster of department personnel.

This report has purposely been made brief. Should additional information be desired the commission will gladly furnish a more detailed explanation of any phase of department activity.

Very truly yours,

DANIEL R. MURDOCK, Clerk
THEODE DUROCHER, Chairman
WALTER L. BARKER
Board of Police Commissioners

ANNUAL REPORT OF THE HOUSING AUTHORITY

for the

City of Nashua, New Hampshire 1961 - 1962

ORGANIZATION

On November 15, 1961, the Commissioners of the Authority held their Annual Meeting at which time officers were chosen for the ensuing year. The Commissioners serve without compensation and may not benefit directly or indirectly from the Authority's business transactions. In addition to the Annual Meeting, the Commissioners met in twelve regular sessions and four informal meetings during 1961-1962 to carry on the Authority's work.

The Commissioners as of November 21, 1962 are:

Mr. Frank P. Stawasz, Chairman	Term Expires October 14, 1966
Mr. Charles J. Panagoulias, Vice-Chmn.	Term Expires October 14, 1963
Mr. George J. Gingras, Treasurer	Term Expires October 14, 1967
Mr. Maurice L. Bouchard, Asst. Treasurer	Term Expires October 14, 1965
Mr. Samuel P. Bronstein, Commissioner	Term Expires October 14, 1964

EXECUTIVE DIRECTOR

The Executive Director of the Housing Authority is John H. Collins and is charged with the management and general supervision of the business affairs of the Authority.

STAFF

At the end of December 1962, the total staff of the Authority (Housing) numbered five employees and two part time, all functioning under the Executive Director.

ANNUAL MUNICIPAL GOVERNMENT REPORT
NASHUA HOUSING AUTHORITY
URBAN RENEWAL AGENCY

Charles H. Hood
Executive Director of
Urban Renewal

James R. Griffin
Assistant Director of
Urban Renewal

To His Honor Mayor Mario J. Vagge and the Board of Aldermen

Gentlemen:

The Urban Renewal Agency herewith submits its annual activity report for 1962.

The year 1962 once again indicated that the Urban Renewal Agency had added another active year to their program of progress in restoring beauty, land values and a revitalized environment to blighted areas of Nashua.

Urban Renewal means progress. President John F. Kennedy stated: "Our communities are what we make them. We as a Nation have before us the opportunity — and the responsibility — to remold our cities, to improve our patterns of community development, and to provide for the housing needs of all segments of our population."

A question that is often asked is "What does URBAN RENEWAL mean to me as a **Citizen, Business Man, Taxpayer, Parent, Tenant,** and **Landlord?"**

CITIZEN:

The program of URBAN RENEWAL was launched with the endorsement of the Mayor and the Board of Aldermen, Chamber of Commerce, organized labor and many civic groups and property owners.

URBAN RENEWAL promotes a program for eliminating worn-out housing, for carrying out a voluntary program of reconditioning and re-

pairs by owners, of dwellings to be saved, encourages construction of new dwellings by private persons or concerns, provides needed community facilities such as streets, utilities, schools and playgrounds to create desirable neighborhoods through federal aids to private property owners and to the City of Nashua.

URBAN RENEWAL and redevelopment through federal aid makes it possible to accomplish amazing changes and improvements not within the tax limits of the citizen without this assistance.

The contribution of URBAN RENEWAL to recreation, parks playgrounds, business, improved facilities, streets and better houses is a contribution to the future prosperity of the City and citizens.

BUSINESS MAN:

Urban Renewal provides new site grading, water mains, gas and electricity, streets, sidewalk street lighting, and landscaping for the most modern types of commercial developments.

Encourages private investment in housing and reconditioning. Provides available land in the City for multiple family and commercial construction.

Brings employment for building and construction tradesmen, creates a tremendous demand for building supplies.

URBAN RENEWAL sparks progress by attracting business and industry and providing employment and customers.

TAXPAYER:

URBAN RENEWAL prevents creeping blight from destroying neighborhoods, protects property values through new zoning regulations and provides adequate streets and sidewalks at no expense to the property owner.

The taxpayers benefit from the increased valuation of a formerly slum and blighted area.

Provides cleared land for commercial use and additional tax levies.

Eighty per cent of the federal tax dollar comes from the cities.

URBAN RENEWAL offers the opportunity, through federal aid, for the city taxpayer to receive a benefit from federal funds that otherwise might be lost. Also to recondition and expand public facilities beyond the financial ability of the local tax structure.

PARENT:

URBAN RENEWAL provides more parks, playgrounds, recreation buildings and community centers.

Adds land and improvements to school facilities, removes heavy, through traffic from residential neighborhods and streets adding to the safety of children using the streets. Combats crime and juvenile delinquency by the elimination of blighted and slum areas. Fosters and stimulates civic pride and a community spirit of progress and well being in parents and children.

TENANT:

URBAN RENEWAL rescues low income families from blighted and slum dwellings. Federal aid offers to families in blighted areas, opportunity to purchase homes by a low down payment and a forty year mortgage.

Brings federal assistance to persons to secure decent rental housing within the financial means of the individual or family.

Recent federal legislation has provided exceptional liberal terms to non-profit organizations for the construction of houses or apartments as cooperatives. A group of persons interested in forming a cooperative can receive information and assistance from regional or local FHA agencies.

Pinpoints attention to the plight of elderly persons who are suffering from neglect. Creates additional new housing for rental purposes by means of liberal federal housing loans.

LANDLORD

URBAN RENEWAL areas such as the Park Street project offer exceptional advantages to landlords to construct multiple dwelling units for rental.

Land cleared by an URBAN RENEWAL PROJECT is made available to builders agreeing to erect housing conforming with reasonable restrictions and regulations. This land is not sold to the highest bidder, but to the first purchaser complying with price and building regulations. Rents are not subject to local or federal control.

Construction of multiple rental units in an URBAN RENEWAL area can be financed under Sections 220 and 221 of the Federal Housing Administration (FHA) with a low down payment and long term mortgage.

Invester type cooperative housing under FHA Section 213 was liberalized by recent federal legislation to offer attractive advantage for rental housing.

URBAN RENEWAL means progress, it means restoring beauty, land values and a revitalized environment to a blighted area.

During the year 1962, we find that the High Street Project has been extended to include four additional properties, two on the south side of factory Street and two on the south side of High Street.

Prior to the approval of boundary extension, by the Board of Aldermen, the staff of the Urban Renewal Agency prepared detailed brochures outlining the overall plan including the new project boundaries. This brochure was presented to the members of the Board of Aldermen and other civic groups.

The brochure provided the aldermen with pertinent information as to what the project may cost the City and what it would do to the City's downtown look. The brochure also described and listed the size of the area, evidence of blight, proposed re-use of the area and estimated costs. It included illustrated plans of the original site and the revised site, with new traffic patterns.

Resolutions regarding the revised High Street Project were approved unanimously by the Board of Aldermen February 27, 1962. On February 28, 1962, the following parcels of land were offered for sale:

Parcel No.	Location	Square Feet For Sale	Sold
C-1	Northeast corner West Pearl - Walnut Street		6,052
C-2	North side West Pearl Street		4,612
C-3	Southeast corner Walnut - School Street		16,640
C-4	Southeast corner Walnut - Factory Street		26,230
C-5	Northwest side of School Street	1,731	
C-8	North side of Factory Street	9,568	
	Total	11,299	*53,534

* Eighty-three per cent (83%) of all commercial sites now sold.

The parcel C-1 at the Northeast corner of West Pearl and Walnut Street containing approximately 6,052 square feet was sold to Spiro J. Linatsas, owner of the Nashua Wallpaper Company. He has constructed a building which will house four stores. Mr. Linatsas has also rehabilitated the building located on parcel C-2 which houses the Nashua Wallpaper Company. This is part of an agreement he has with the Urban Renewal Agency.

The parcel C-3 at the Southeast corner of Walnut and School Street containing approximately 16,640 square feet and the parcel C-4 at the Southeast corner of Walnut and Factory Street containing 26,230 square feet were purchased by Philip J. Lamoy, President of the Twentieth Century Stores, Inc. He plans to build a large, modern supermarket on the tract which contains 26,230 square feet, and the other tract of 16,640 square feet will be laid out as a parking area.

The property in the boundary extension, when acquired early in 1963, will make two more parcels of land available for commercial re-use.

The Urban Renewal Agency received approval from the Board of Aldermen of a petition submitted by URA which recommended that the Urban Renewal Staff prepare an application for Survey and Planning funds from the Federal government for studies to be made in the Myrtle and Park Street areas.

The applications were submitted to the Housing and Home Finance Agency Regional Office, and the sum of $197,752 was approved by Urban Renewal Commissioner William L. Slayton. The engineering firm of DeLeuw and Cather has been selected for the preparation of Part I — Final Project Report and Part II — Local Project Approval Data of the Application for Loan and Grant for the twin projects.

Industrial parking is proposed for the re-use of the proposed Myrtle Street Project. Low-rent housing, housing for the elderly, housing development by private developers, off-street parking, commercial sites, playground, and a civic or art center are to be considered in the proposed Park Street Project.

The City will not have to pay back any federal funds spent for study purposes until:

1. Approval of final plans and drawings by the New York Regional Office of Federal Housing and Home Finance Agency.

2. Authorization by the Board of Aldermen to proceed.

In this event, the City would be required to pay twenty-five per cent (25%) of the net project cost, including the funds it received for the surveys and plans. If the City did not find it feasible to go through with one or both projects, the City would not have to pay for any study funds allotted it.

The Urban Renewal Agency announced that a Comfort Station was planned for the High Street Area. This Comfort Station would be part of a building which would house a taxi terminal with a carport for five taxi cabs.

The building would be constructed on the South side of High Street on what is now known as the High Street off-street parking lot.

The annual election of officers was held and Frank P. Stawasz was elected Chairman. He succeeds Samuel P. Bronstein, Charles J. Panagoulias, Vice Chairman, George J. Gingras, Treasurer, Maurice L. Bouchard, Assistant Treasurer and Samuel P. Bronstein.

Attorney George Pappagianis was named as Project Attorney for the proposed Myrtle and Park Street Projects.

The Nashua Housing Authority and Mr. Philip Lamoy, owner of property in the High Street Area, leased to the Chamber of Commerce for a consideration of $1.00 all vacant land which would be used for Parking for holiday shoppers. This lease will expire January 1, 1963.

The Nashua Housing Authority has initiated eminent domain proceedings to acquire four parcels within the revised High Street Project Area. The petition for possession and title of these parcels has been filed in Superior Court by Attorney Normand R. Pelletier, Counsel for Project. A hearing date has been set for January 7, 1963. However, options have been negotiated with Oscar Bergeron and Rose Sullivan, Estate.

The staff of the Urban Renewal Agency is Charles H. Hood, Executive Director of Urban Renewal, James R. Griffin, Assistant Director of Urban Renewal and Shirley A. Miller, Secretary.

During the year, the Director and Assistant Director have attended meetings with the Mayor and Committees of the Board of Aldermen and have fully cooperated in all requests for information.

Respectfully submitted,

NASHUA HOUSING AUTHORITY
URBAN RENEWAL AGENCY

CHARLES H. HOOD, Executive Director
JAMES R. GRIFFIN, Assistant Director

REPORT OF THE OFFICE OF CIVIL DEFENSE

Year Ending 1962

To His Honor the Mayor and the Board of Aldermen

Nashua City Hall
Nashua, New Hampshire

Gentlemen:

During 1962 on new property requested for Civil Defense Police and Fire Services with federal participation on a 50-50 matching fund basis, the amount received from federal government was $11,971.55. Surplus property was received for Civil Defense and other city departments, which had an acquisition cost to the federal government of $33,797.05, with a service charge to the City of Nashua of only $1,252.25.

There were 232 persons who visited the prototype family fallout shelter located in the basement of the Civil Defense building. Also, 37 property owners were assisted by this office in planning the construction of family shelters in their homes.

Over 16,000 pieces of Civil Defense literature were distributed at meetings or mailed to residents of Nashua. There were 42 news items in regards to Civil Defense which appeared in the local newspaper plus group and individual interviews over local radio stations.

We attended 24 group meetings with showing of film and talk on Civil Defense, 5 meetings with industrial personnel on industrial preparedness and survival, and 66 meetings with local Civil Defense units.

There were two radiological defense monitoring refresher courses held, four NAWAS (National Attack Warning System) tests were participated in, and five Civil Defense classes were held at Memorial Hospital and St. Joseph's Hospital. Also, we attended two conferences with the Office of Civil Defense at the Region I offices and attended directors conferences with the Department of Defense in Washington, D. C., and Worcester Polytechnic Institute. In addition, we attended 44 meetings with N. H. Civil Defense Agency and with other state departments, and also viewed surplus property at 31 government installations.

Four meetings were held with the Corps of Army Engineers on the public shelter program. We inspected with representatives of the Corps of Army Engineers 164 buildings for possible public shelter space.

There were 43 buildings containing 71 shelter areas approved as public shelters for 29,898 persons. Privileged licenses were signed by property owners with this office for 10 shelter areas for 6,880 people which will be stocked by the federal government with food, water, sanitation and medical kits and radiological monitoring equipment in early 1963.

It is estimated by this office that over 450 family prototype fallout shelters have been constructed to date which will hold in the vicinity of 3,000 persons.

The public shelter survey is not as yet completed. Survey and stocking of additional buildings will continue in 1963.

Respectfully submitted,

OMER H. BERUBE

ANNUAL REPORT — 1962
NASHUA CITY PLANNING BOARD

BOARD MEMBERSHIP

Appointed Members:

Oliver J. Dambroise (Chairman)	Term expires March 31, 1963
Robert J. Cross	Term expires March 31, 1964
William M. Grady, Jr. (replacing Daniel R. W. Murdock, resigned)	Term expires March 31, 1965
Donald C. Calderwood	Term expires March 31, 1966
Frank C. Sabluski	Term expires March 31, 1967
James L. Ryan	Term expires March 31, 1968

Ex-officio Members:

Mario J. Vagge, Mayor
Francis LaFlamme, Alderman
Josel B. Hill, City Engineer

Planning Director:

Leonard F. Hubbard (resigned)

To His Honor the Mayor and the Honorable Board of Aldermen:

Several proposals for changes in the zoning ordinance were studied and acted upon by the Planning Board following public hearings in each instance. Three proposals were approved, three were denied, and one was approved with revisions. These recommendations were confirmed by the Board of Aldermen.

Those approved included the following:

(1) An area fronting on the west side of the Everett Turnpike and on the south side of the Main Dunstable Road, changed from Suburban to Light Industrial.

(2) Irregular areas on the east side of Main Street between Otterson Street and Salmon Brook, changed from Light Industrial and "B" Residence to General Business.

(3) An area at the northwest corner of the intersection of the Henri Bourque Highway with Concord Street, changed from Suburban to "C" Residence.

Proposals which were disapproved included the following:

(1) To change from "C" to "B" Residence a portion of the "C" district south of Ledge Street.

(2) To eliminate trailers along the permitted uses in a Suburban district.

(3) To change from Suburban to General Business an area on the west side of and adjacent to the Daniel Webster Highway, Route 3, generally opposite the Howard Johnson's Restaurant.

The proposal approved by the Board after revision established a new "Surburban Residence" district within the former Suburban district generally in the Long Hill area. The new district extends roughly from an east-west line drawn to coincide with the crossing of Old Maids Brook on East Dunstable Road to an east-west line made up principally of Lamb Road and Spit Brook Road. Salmon Brook provides most of the westerly boundary, while a line drawn parallel to the Daniel Webster Highway and 2000 feet west of it furnishes the easterly boundary. The most important feature of the district standards is the minimum lot requirement of 18,000 square feet.

The High Street Urban Renewal Project continued to demand time and study. Official action by the Board, confirmed by the Board of Aldermen established a building setback line on the south side of Factory Street so that a right-of-way of 50' width will eventually be brought about. A similar action was taken in reference to a protion of the east side of School Street. As required by the Housing and Home Finance Agency the Board also approved the plan for Land Use and the plan for Traffic Flow in the project area. Many conferences were held in respect to project development, and with the consulting engineer in charge of the design and development of the Water Street - Factory Street ramp, designated as a "supporting facility" to the High Street Project.

Official action was also taken in passing resolutions to declare the Park Street and Myrtle Street areas to be Urban Renewal Areas. Related to Urban Renewal was the work done in preparing maps and data on numerous possible sites for the development of low-rent public housing. Maps and data were likewise prepared on the industrial parking problems of the Millyard area. A number of preliminary sketches for the reuse of land and for traffic circulation in both Myrtle and Park Street sections were drawn for discussion purposes.

In view of the coming session of the 1963 State Legislative session, much study was given to the plans for Nashua's arterial highway system. The Board cooperated with various officials of the New Hampshire State Department of Public Works and Highways in these studies.

The State produced a tentative plan to continue the Everett Turnpike directly from a new interchange at East Dunstable Road, west of Long Hill to the Massachusetts State line, where it would continue southerly to meet the present terminous of the Route 3 expressway in Tyngsboro. As the result of a public hearing on this proposal at which opposition was voiced by home-owners in the Lancashire Heights development area who felt the proposed route was too close, and by

business proprietors on the present Route 3 in Nashua who felt the proposed route was too far away, a restudy of the problem was undertaken. The final choice of location established a tentative centerline which would swing the Turnpike extension from its junction with South Main Street so as to parallel Route 3 on the east side of Long Hill and eventually join the Massachusetts expressway as planned.

Access to the existing business area on Route 3 would be provided by the existing South Main Street junction to the north, and by a new interchange on the new Turnpike section just north of the Massachusetts Line, from which a new access road would extend easterly to Route 3. Danforth Road would be severed, but Spit Brook Road would remain, passing under the Turnpike. A modified interchange for public convenience would be constructed where East Dunstable Road now passes over the Turnpike. This summarizes the plan for the Central New Hampshire Turnpike relocation which is to go before the Legislature for approval.

A second phase of the Major Throughfare Plan studied by the Planning Board was the prospective Merrimack River bridge crossing, since this would have a high priority in the State's highway programming in the next biennium. It was felt that a more feasible alternative should be developed in place of a previous proposal offered by a State-federal financed study.

Through intensive field work and inspection of data, including aerial photographs, a different location for the bridge was suggested, south of the existing Taylor Falls Bridge. Eastern access to the bridge would be afforded by relocating Route 111 beginning at Hudson Center and passing close to the village center of Hudson but south of it. Appropriate tie-ins with the village and Route 3A would be included. The new bridge structure, located near the abandoned railroad bridge piers, would include both the river crossing and the crossing of the Boston and Maine Railroad trackage. Utilizing the highest elevations of Crown Street, the new Route 111 would join a traffic circle at Allds Street, then proceed westerly behind the developed frontage of East Hollis Street, then extend to Tyler Street, which would be widened and improved as far as Main Street. This tentative plan would make available an efficient crosstown route from the Everett Turnpike, via Kinsley Street, the new connection and the new bridge, to Hudson Center. The many advantages of this general plan would include relief of much heavy crosstown traffic on East and West Hollis Streets, and improvement of the bad congestion now commonplace at the intersection of Kinsley and South Main Streets.

A further development of the plan indicated a new expressway to begin at the intersection of the Henri Bourque Highway and Concord Street in the north end of the city, paralling th emainline railroad tracks on their west side and reaching to Lock Street, with a further section crossing the Nashua River and passing west of the gas storage tanks so as to align with Amory Street at its intersection with Bridge Street.

In the more distant future, the crosstown connection at Crown Street would be joined with the expressway at Bridge Street. It is noteworthy that these varients from the Board's original master plan for highways leave intact and count on for the future the northern beltline which should extend from the Bourque Highway to Hudson Center and

the southern beltline extending from the Everett Highway near its junction with South Main Street also to Hudson Center.

The principles illustrated in these proposals have been well received by the State and by the Town of Hudson, and will be given detailed study. It is expected that variations from these portions of the arterial plan will be developed from considerations of land costs, engineering requirements and other factors before locations can be regarded as fixed.

Following the destruction of a store building by fire on the northwestern corner of West Hollis and Main Streets, the Board made a study of an eventual plan to widen West Hollis Street from Main Street to Wooolawn Cemetery. It was felt that this would be an appropriate time to begin such a plan by acquiring the site of the burned-out building and acquiring additional right of way as far as Elm Street. This proposal did not advance beyond the study stage.

Many other problems were considered by the Planning Board during the year. These included the suggested relocation of the Airport Road, the traffic problems presented by the West Hollis Street railroad spur track, and thoughts about the need for a new library building, and its location.

Board Member Daniel R. W. Murdock resigned in order to accept an appointment on the Police Commission. Mr. William M. Grady, Jr. was appointed in his place to fill the unexpired term of office. The Planning Director also resigned in order to accept a staff position with the State planning agency. The Board made every effort to fill this vacancy but was unable to do so for the balance of the year.
